Dear Parents, Staff, and Community Members,

The Ovid-Elsie Area Schools Board of Education and Administration is launching a new initiative to guide our district through the development of a three- to five-year Strategic Plan. This process will include community and staff input events, data collection, and additional efforts to create a shared vision and goals for the future of our district—while ensuring we use our public education resources in the most effective and efficient way.

Stakeholder feedback will play a vital role in this planning process. Community members, parents, students, teachers, and all district staff members will have the opportunity to share their thoughts on the strengths of the district, opportunities for improvement, potential barriers, and their vision for Ovid-Elsie Area Schools.

Your input, combined with essential district data, will help identify approximately five priority goals to be implemented over the next three to five years.

Please take a few minutes to complete the survey linked below.
The survey will remain open until February 1, 2026.

https://masb.jotform.com/team/ldess/ovidelsiesp26

Additionally, the district will host a **Community Input Session** on **Friday, January 30, 2026, at 5:00 p.m.** in the **High School Student Lounge**. This session will provide an opportunity for attendees to learn more about the planning process, ask questions, and share input.

Thank you for your time and continued support of Ovid-Elsie Area Schools.

Sincerely,

Mark Horak
Superintendent
