We wanted to reach out and let you know a little bit about our food pantry program – especially since we know SNAP benefits are being paused for November, and that families may need some extra help with food.

We have a **one-time registration**. This can be done when you come in at the front desk. If you are requesting pantry services, we ask the total income in your household. **We do not deny anyone services**. You will need to sign in each time you come. **Due to our expected increase in families needing help, we are opening up two additional Pantry times during the month of November from 6-7:30 pm on Thursday, November 6 and Tuesday, November 18.**

We are often asked if you have to live in Elsie to receive services. The answer is no, we help families in surrounding areas as well. Again, we do not turn families away.

Program 1: Food Pantry Days
Patrons can select food from our shelves to meet their needs. An additional box will be given with their choice of fresh produce, a meat, and other items when available. You may use this service twice a month. Individuals can also choose **5 personal items** a month from a list .

Program 2: Produce Days
Prefilled boxes containing produce and other available items are distributed in a **drive-thru process**. An individual can participate in this program all four days of the month. **Check-in begins 30 minutes prior to distribution.**
On **Select Produce Days**, doors open at 4:00 pm and families are given a box where they can fill from selected produce on the tables.

Program 3: Door Dash Delivery: We offer for qualifying applicants. A participant can have a box of food delivered to their home once a month. To receive home delivery of a pantry pack of shelf-stable food items, neighbors must:

- Meet federally-set-income guidelines for The Emergency Food Assistance Program (TEFAP) or
- Qualify for one of the following programs: SNAP, WIC, FDPIR, CSFP, free/reduced school lunches, or
- Be in need of food AND
- Live within 10 miles of the Elsie Area Food Pantry.

If you or anyone you know is interested in participating in this program go to: https://greaterlansingfoodbank.org/get-help/home-delivery to apply.

For the month of November, Clinton Transit (the Blue Bus) will be offering free rides to food pantries in Clinton County. If transportation is an issue for you, please call them to arrange a ride.
