Dear Donor/Community Member/Business Owner,

I am excited and incredibly proud to share that the **Hawthorne Hornets Football Team** has once again brought home the **State Championship**. This remarkable achievement marks **our third football state title in four years**, a testament to the dedication, heart, and relentless work ethic of our athletes, coaches, and supporters.

To commemorate this historic accomplishment, we hope to provide each player with a **state championship ring**. These rings will serve as a lifelong reminder of their commitment, resilience, and the tradition of excellence they have helped build here at Hawthorne High School. However, the total cost of the rings presents a financial challenge for many of our student-athletes.

We respectfully request donations of any amount to help ensure that **every player receives a championship ring**, regardless of financial circumstance. Your contribution will directly honor these outstanding young men and help celebrate a legacy that reaches far beyond the football field.

Ways to Donate

- **Cash App:** *Hawthorne QBC*
- **Venmo:** *@Hawthorne-QuarterbackClub*
- **Checks payable to:** *Hawthorne High School Athletics*
- **Memo:** *Hornets Championship Rings*

Thank you for your continued generosity and for standing behind the Hawthorne Hornets. Together, we can celebrate this historic season in a way these athletes will cherish for the rest of their lives. If you have any questions or would like additional information, please feel free to contact me directly.

With appreciation,

Greg Bowie
Athletic Director, Hawthorne High School
