

# **Avon Softball Invitational Tournament**

## **April 11, 2026**

This year's tournament will have a different format. We had a team that had to drop out due to their Prom being held on the same day. After many unsuccessful attempts to find a eighth team we have decided to proceed with seven. The format will be Pool Play and after Pool Play is complete we will seed all teams 1-7 based on: Pool record, Runs allowed, Run differential, and Coin flip (if needed). Then it will be Bracket Play after that.

### **The Tournament will be played in Avon.**

We have two fields. They will be labeled as the West Field or the East Field

Home Team will run the Scoreboard from your Dugout.
