ATHLETIC DIRECTOR'S MESSAGE

Welcome to Tiger Athletics!

At New England Public School, we are proud to offer athletic programs that support the development of our students beyond the classroom. Athletics are a valuable extension of our educational program, promoting teamwork, discipline, and personal growth. As we move forward into another exciting season, the following principles will guide our athletic programs:

1. **Academic Responsibility** – Student-athletes are first and foremost students. They are expected to meet the same academic standards as their peers, with no special treatment regarding grades or assignments.
2. **Student Well-Being** – The safety, health, and overall well-being of our student-athletes are top priorities in every decision made within our athletic programs.
3. **Compliance with NDHSAA** – All athletic activities will follow the rules and regulations of the North Dakota High School Activities Association (NDHSAA), including its constitution and by-laws.
4. **Coaching Expectations** – Coaches, like all staff members, are expected to demonstrate professionalism, promote excellence, and support the overall mission of the school district. Their performance will be evaluated based on their dedication to both the athletic program and the broader educational goals of the school.
5. **Earned Privilege** – Participation in athletics is a privilege—not a right. It must be earned and maintained through consistent effort, respectful behavior, and adherence to team and school expectations.
6. **Non-Discrimination Statement** – The New England Public School District does not discriminate on the basis of race, national origin, sex, religion, disability, or age in its educational programs, employment practices, or services. The Superintendent serves as the district's compliance officer for Title IX, Section 504, and the ADA.

These beliefs are the foundation of our athletic programs, which are coordinated under the leadership of the Athletic Director and in partnership with the Superintendent. We also proudly support the opportunities available through the Hettinger County Athletic Co-op, providing students with additional avenues to enrich their school experience.

We encourage all students to get involved, challenge themselves, and contribute to the proud tradition of Tiger Athletics.

Sincerely,
Mr. Troy Dietz
Athletic/Activities Director
New England Public School

New England High School

Athletic Offerings

FALL:

Girls' Golf (7-12)	Hettinger County Co-op	August 3, 2026
Boys' Soccer (7-12)	Dickinson High Co-op	August 3, 2026
High School Football (9-12)	Hettinger County Co-op	August 6, 2026
Junior High Football (7-8)	Hettinger County Co-op	August 6, 2026
Boys' Cross Country (7-12)	New England High School	August 10, 2026
Girls' Cross Country (7-12)	New England High School	August 10, 2026
High School Volleyball (9-12)	New England High School	August 17, 2026
Girls' Swimming (7-12)	Dickinson High Co-op	August 17, 2026
Junior High Volleyball (7-8)	New England High School	August 18, 2026
Elementary Girls' Basketball (4-6)	New England Elementary School	August 19, 2026
Elementary Boys' Basketball (4-6)	New England Elementary School	September 30, 2026

WINTER:

Junior High Girls' Basketball (7-8)	New England High School	October 26, 2026
Junior High Boys' Basketball (7-8)	New England High School	November 2, 2026
Girls' Wrestling (7-12)	Dickinson High Co-op	November 9, 2026
Boys' Wrestling (7-12)	Dickinson High Co-op	November 9, 2026
Girls' Hockey (7-12)	Dickinson High Co-op	November 9, 2026
Boys' Hockey (7-12)	Dickinson High Co-op	November 9, 2026
Gymnastics (7-12)	Dickinson High Co-op	November 16, 2026
Girls' Basketball (9-12)	New England High School	November 16, 2026
Boys' Basketball (9-12)	New England High School	November 30, 2026
Boys' Swimming (7-12)	Dickinson High Co-op	November 30, 2026

SPRING:

Track & Field (7-12)	Hettinger County Co-op	TBD
Girls' Softball (7-12)	New England High School	March 22, 2027
Girls' Soccer (7-12)	Dickinson High Co-op	March 22, 2027
Baseball (7-12)	Hettinger/Scranton Co-op	March 22, 2027
Elementary Volleyball (4, 5, 6)	New England Elementary School	March 15, 2027
Boys' Golf (7-12)	Hettinger County Co-op	April 12, 2027

PHILOSOPHY

The extracurricular programs offered through New England Public Schools and its cooperative partnerships are designed to be an essential extension of the overall educational experience. These activities are not separate from academics but rather support and reinforce the school's core mission and values.

Our extracurricular programs aim to foster the development of strong, healthy bodies and active, alert minds. They promote sportsmanship, teamwork, enjoyment, and a lifelong appreciation for teaching, learning, and coaching. Through participation, students and alumni alike gain a deeper sense of pride in their school, build lasting traditions, and strengthen school spirit and loyalty. Ultimately, our programs strive to prepare students to be well-rounded individuals who contribute positively to their school and community.

GETTING READY TO PLAY: REQUIREMENTS FOR PARTICIPATION

To participate in athletics at New England Public School, students must complete the following steps prior to the start of each season. These requirements are in place to ensure the safety, eligibility, and preparedness of all student-athletes:

1. Online Registration

All students intending to participate in athletics must register through the Arbiter Online Sports Registration System, accessible via the New England Public School website under the Athletics/Activities tab.

- Students may begin practicing once registered, but they will not be eligible to participate in games until the registration is fully completed and verified.

2. Physical Examination

A current physical examination is required for **all** student-athletes.

- Students may not participate in practices or games until a completed NDHSAA Physical Form has been uploaded to the Arbiter Online Sports Registration.
- The NDHSAA Physical Form can be found on our school website under the Athletics/Activities tab.
- This physical is valid for 365 days from the date of the examination and applies to all sports during that time frame.

3. Pre-Season Meetings

To support effective communication and set clear expectations, pre-season meetings will be scheduled at the start of each sports season. These meetings provide essential information regarding team policies, schedules, and coach expectations.

- Attendance is required for both the student-athlete and a parent/guardian.
- These meetings are a key component in building a successful and cooperative athletic environment.

Failure to meet these requirements may delay or prevent participation. Please ensure all steps are completed prior to the first day of practice.

ELIGIBILITY FOR ATHLETICS

To be eligible to participate in school activities involving interscholastic competition, students in grades 4 – 12 shall:

- Students must pass ALL subjects and behavioral grades to be eligible to participate in extra/intra-curricular activities. A student who has ANY failing grades in his/her academics WILL NOT BE ELIGIBLE until he/she is passing all their classes.
- Student eligibility will be determined on the Wednesday of each school week. This grade will be determined by the grade the student has accumulated from the beginning of the current semester.
- If a student is found ineligible on the check, they will be ineligible for a period of one week (Wednesday to Wednesday).
 - Example: Student found ineligible on the eligibility check on Wednesday, September 17th, he/she will be ineligible until Wednesday, September 24th.
- Students who are found ineligible will remain ineligible until the grades are determined on the next eligibility check (the Wednesday of each school week).
- Students who have failing grades at the end of the semester will be declared ineligible for the next two full days of competition/performance/activity.

EXTRA-CURRICULAR ATTENDANCE POLICY

To participate in any extra-curricular activity, including practice, the student is to be in attendance at least four (4) periods during the school day. Exceptions to this rule will be made under the following conditions:

1. Absences due to school related activities.
2. Absences due to family emergency, medical appointments, religious observances, or other advance requests approved by the school administration.

CONCUSSION POLICY/MANAGEMENT

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. A new section to chapter 15.1-18.2 of the North Dakota Century Code is created and enacted as follows:

Student athletics – Concussion management program – Requirements.

1. The superintendent of public instruction shall ensure that any athletic activity that is sponsored or sanctioned by a school or school district in this state and which requires a participating student to regularly practice or train, and compete, is subject to the terms of a concussion management program.
2. The concussion management program must:
 - a. Define the signs and symptoms of a concussion;
 - b. Require that any coach, trainer, or official immediately remove a student from practice, training, or competition if that student exhibits any sign or symptom of a concussion, as defined under this subsection;
 - c. Require that any student who is removed in accordance with this subsection must be examined by a physician as soon as practicable after exhibiting any sign or symptom of a concussion; and
 - d. Provide that any student who is removed in accordance with this subsection may be allowed to return to practice, training, or competition only after a physician provides written authorization for the student's return to the student's coach or trainer.
3. The superintendent of public instruction shall ensure that before a student is allowed to participate in the athletic activity, the student and the student's parent shall document that they have viewed information , made available electronically by the student's school or school district, regarding concussions incurred by students participating in athletic activities.

SECTION 2. A new section to chapter 32-12.1 of the North Dakota Century Code is created and enacted as follows:

Athletic Activities – Children – Concussion Management Program – Requirements

1. If a political subdivision, other than a school district, sponsors or sanctions an athletic activity that requires a child under eighteen years of age to pay a fee in order to regularly practice or train, and compete, the political subdivision shall ensure that the athletic activity is governed by the terms of a concussion management program.
2. The concussion management program must:
 - a. Define the signs and symptoms of a concussion;
 - b. Require that any coach, trainer, or official immediately remove a student from practice, training, or competition if that student exhibits any sign or symptom of a concussion, as defined under this subsection;
 - c. Require that any student who is removed in accordance with this subsection must be examined by a physician as soon as practicable after exhibiting any sign or symptom of a concussion; and
 - d. Provide that any student who is removed in accordance with this subsection may be allowed to return to practice, training, or competition only after a physician provides written authorization for the student's return to the student's coach or trainer.
3. The political subdivision shall ensure that before a child is allowed to participate in the athletic activity, the child and the child's parent shall document that they have viewed information, made available electronically by the political subdivision, regarding concussions incurred by minors participating in athletic activities.

ImPACT CONCUSSION MANAGEMENT PROGRAM

ImPACT (Immediate Post-Concussion Assessment and Cognitive Testing) is a research-based, neurocognitive computer assessment designed to measure an athlete's baseline brain function. This program provides physicians with an objective tool to assist in evaluating and managing concussions. If a concussion is suspected, a post-injury assessment can be compared to the baseline results to help inform safe return-to-play decisions.

All student-athletes in grades 7–12 are required to complete a baseline ImPACT test prior to participating in any athletic activity. If an athlete shows any signs, symptoms, or behaviors that raise concern for a possible concussion, they must be **immediately removed** from all physical activity, including sports and recreational play, and will not be allowed to return until properly evaluated and cleared according to school and medical guidelines.

RETURN TO PLAY AFTER AN INJURY

Any student-athlete who receives medical treatment for an injury—whether through an emergency room visit, private physician, or other healthcare provider—must submit written medical clearance before returning to athletic participation. This documentation must be provided to the Athletic Director and must include the following information:

- Description of the injury
- Date the athlete is cleared to return
- Any restrictions or required modifications
- A clear statement indicating the athlete is approved to "return to athletics"

Additionally, the school must be informed of any injuries sustained **outside of school-sponsored activities**, including those occurring on weekends or while participating in club or non-school teams. This information is essential to ensure the continued health and safety of the student-athlete.

ATHLETIC TRAINER

New England Public School partners with Athletic Advantage to provide professional athletic training services for our student-athletes. The athletic trainer is responsible for delivering emergency care, implementing injury prevention strategies, and promoting proper training techniques and physical conditioning programs.

In the event of an injury, the athletic trainer coordinates follow-up care by working closely with parents, physicians, and coaches to ensure a safe and effective recovery process. Additionally, the athletic trainer oversees and manages the **return-to-play protocol**, ensuring that all student-athletes are cleared appropriately before resuming participation

DISTRIBUTION OF MEDICATIONS OR OTHER SUBSTANCES

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

NDCC: 15.1-19-23. Medication program - Establishment – Opt-out - Liability - Immunity from liability.

1. The board of a school district or the governing body of a nonpublic school may establish a program for providing medication to students that includes authorizing individuals to provide medication to a student if the individual has received education and training in medication administration and has received written consent of the student's parent or guardian.
2. A teacher or classified staff member, who is not employed as a licensed health care provider to provide medication, may choose to not provide medication under the program established under subsection
3. An individual authorized to provide medication under subsection 1, or a school district, the board of a school district, or the governing body of a nonpublic school that establishes a program for providing medication to students is not civilly or criminally liable for any act or omission of that individual when acting in good faith while providing medication to a student, except when the conduct amounts to gross negligence.

UNDER NO CIRCUMSTANCES ARE COACHES TO GIVE ANY STUDENT/ATHLETE ANY TYPE OF MEDICATION OR SUBSTANCE. THIS INCLUDES BUT IS NOT LIMITED TO: ASPRIN, IBUPROFEN, COUGH DROPS, OR PERFORMING ENHANCING SUBSTANCES.

New England Public School Athletic Department Code of Conduct

Participation in athletics at New England Public School is a privilege, not a right, and comes with significant responsibilities to one's team, school, and community. Student-athletes are expected to uphold the highest standards of character, commitment, and sportsmanship both on and off the field. As representatives of New England Public School, athletes must demonstrate integrity and respect toward coaches, teammates, opponents, officials, and the rules governing competition.

Athletes are required to maintain academic eligibility, attend practices and contests consistently, and communicate responsibly with coaching staff regarding any absences. In addition, student-athletes must comply with all school rules and district policies, including those relating to behavior, attendance, and substance use. Violations of school rules or disciplinary actions taken during the academic day may also result in consequences within the athletic program. This includes, but is not limited to, suspension from practices, contests, or possible removal from the team.

Any conduct that reflects negatively on the individual, team, or school community—whether occurring during school hours, athletic events, or outside activities—may lead to disciplinary action. New England Public School is committed to developing well-rounded students who are not only skilled athletes but also responsible, respectful, and accountable citizens. All student-athletes are expected to consistently uphold these expectations throughout their participation in school athletics.

PRACTICES AND CONTESTS

- All student athletes must make a commitment to attend all practices and contests on time.
- If an athlete is going to be late or absent from practice it is his / her responsibility to notify the coach.
- An excused absence is for family emergencies or sickness. Please notify the coach directly prior to the absence.
- Each sport has a required number of practices in order to play in a contest; These requirements are set forth by the North Dakota High School Activities Association.
- Schedules - Keep in mind that schedules are only guidelines. There are many reasons (inclement weather, unplayable facility, transportation problem, etc.) that can cause game or practice cancellations. Game and practice schedules are subject to changes. Changes will be communicated to parents as soon as possible

VACATION/HOLIDAY PRACTICE EXPECTATIONS

When student-athletes commit to a sport, they are expected to participate in all practices and competitions, including those that may be scheduled during school vacations, holidays, and weekends. New England Public School reserves the right to schedule events during these times.

Athletes who choose to be absent for reasons unrelated to injury or illness should be aware that such absences may affect their standing on the team, including potential reductions in playing time or changes to their role within the program.

NEW ENGLAND PUBLIC SCHOOL ATHLETIC UNIFORM AND EQUIPMENT POLICY

All student-athletes are responsible for the care and timely return of any uniforms and equipment issued to them during their participation in athletic programs at New England Public School. To ensure accountability, the following policy has been established:

- **Uniform and Equipment Return**
All uniforms and equipment must be returned directly to the coach at the conclusion of the athletic season. Items should be clean and in good condition, accounting for normal wear and tear.
- **Uniform Deposit Requirement**
Prior to receiving any uniform or equipment, each athlete must submit a **\$125 uniform deposit check** made payable to New England Public School. This deposit is held as a guarantee that all issued items will be returned at the end of the season.
- **Unreturned or Lost Items**
If the uniform and/or equipment are not returned by the designated deadline, the **\$125 deposit check will be cashed** to cover replacement costs. Partial returns or damaged items may also result in a portion or full amount of the deposit being retained.

- **Return of Deposit**
Once all issued items are returned in acceptable condition, the deposit check will be returned to the athlete or parent/guardian.

This policy ensures the sustainability of our athletic programs and the availability of equipment for future student-athletes. We appreciate your cooperation in maintaining the integrity and responsibility of our teams.

OUT-OF-TOWN EVENT CONDUCT AND TRANSPORTATION STATEMENT

When attending out-of-town events, all students are representatives of New England Public School and the community of New England. As such, they are expected to demonstrate respectful, responsible, and appropriate behavior at all times. Misconduct or behavior that reflects poorly on the school or community may result in disciplinary action in accordance with school policies.

Students are expected to use school-provided transportation to and from all events. If a parent or guardian wishes their child to ride home with them following an event, a request must be made directly to the coach or supervising staff member **prior to departure**. Only the student's own parent or guardian may transport the student unless prior written approval has been granted by school administration.

NEW ENGLAND PUBLIC SCHOOL STUDENT-ATHLETE SOCIAL MEDIA GUIDELINES

Participation in athletics at New England Public School is both a privilege and a responsibility. As representatives of our school and community, student-athletes are expected to uphold high standards of conduct in all areas of their lives—including on social media platforms. The following guidelines are intended to promote responsible, respectful, and appropriate online behavior:

1. Be Respectful and Responsible

- Treat others with dignity and respect in all online interactions.
- Avoid posting comments, photos, or videos that are offensive, threatening, discriminatory, or harmful to others.
- Do not engage in cyberbullying, harassment, or any behavior that reflects poorly on yourself, your team, or the school.

2. Represent Your Team and School with Integrity

- Remember that your social media activity is a reflection of yourself, your team, and New England Public School.
- Avoid using inappropriate language or gestures in photos, videos, or captions.
- Do not post or share content involving alcohol, drugs, tobacco, or any illegal or unethical behavior.

3. Think Before You Post

- Once something is posted online, it can be permanent—even if deleted.
- Before posting, ask yourself: “Would I want my coaches, teammates, family, or school administrators to see this?”
- Protect your personal information and use privacy settings appropriately, but understand that privacy is never guaranteed online.

4. Avoid Team Conflicts Online

- Do not use social media to air grievances, criticize coaches, teammates, officials, or opponents.
- Concerns related to team matters should be addressed through appropriate in-person communication channels, not publicly online.

5. Consequences for Inappropriate Use

- Any violation of these guidelines may result in disciplinary action by the athletic department or school administration.
- Consequences may include warnings, suspension from practices or contests, removal from the team, and/or additional school disciplinary action, depending on the severity of the offense.

New England Public School is committed to fostering a culture of respect, leadership, and accountability. As a student-athlete, you are expected to model these values both on the field and online.

SPECTATOR CODE OF CONDUCT

NDHSAA BEHAVIOR EXPECTATIONS FOR REGULAR AND POSTSEASON COMPETITIONS:

- Respect the American flag and the National Anthem.
- Contesting schools shall each have an authorized faculty representative present who shall be responsible for his/her school’s participants, students, and fans throughout the contest.
- Spectators must wear appropriate clothing. Those who do not comply or who wear clothing that is vulgar, obscene or that in some other way inappropriate, as determined by school/tournament personnel, will be removed from the facility if they do not cooperate with this behavior expectation.
- The use of appropriate language is expected at all times. Profanity, negative chants, trash talk, name-calling, personal attacks or other acts of disrespect are unacceptable and must be immediately addressed by school/tournament administrators. Any discriminatory slur will result in immediate removal from the facility.

- Any attendee ejected from a regular season or NDHSAA tournament contest will incur a minimum two (2) week suspension from that team's games/events and all other NDHSAA games/events in the interim at any level of competition. An attendee ejected for a second time during a school year shall be suspended for a minimum of one (1) calendar year from all NDHSAA regular and postseason events. NDHSAA member schools may increase these minimum penalties at their discretion.
- Respect the game/contest. Under no condition shall anyone other than the members of the official squad enter the playing surface. No one may interfere with the contest in any way.
- Handheld signs and flags, which do not obstruct the view of others, are permitted provided they are in good taste. Signs or other similar items contest/tournament officials deem to be in poor taste will be removed. Message or "white" boards are prohibited. The carrying of flags around the playing surface is NOT allowed.
- Artificial noisemakers of any kind (i.e. megaphones, cowbells, sirens, whistles, thunder sticks, and other similar items) are not allowed at any indoor events, including outdoor sports played at indoor venues. Exception – Megaphones appropriately used by cheerleaders are permitted if allowed by contest officials.
- Laser lights or any other lights deemed distracting to participants are strictly prohibited.
- The use of unmanned aerial vehicles (UAV), also known as drones, is prohibited at all contests.

NEW ENGLAND PUBLIC SCHOOL SPECTATOR EJECTION POLICY

New England Public School is committed to maintaining a safe, respectful, and positive environment at all school-sponsored events. In alignment with the North Dakota High School Activities Association (NDHSAA) regulations, all NDHSAA penalties resulting from spectator misconduct will be strictly enforced.

Any spectator who is ejected from a school-sponsored activity will be considered in violation of New England School Board Policy KAAA – School Conduct Standards. Following an ejection, the individual will not be permitted to attend any school-sponsored activities, including but not limited to athletic events, performances, meetings, or other school functions, until the following conditions are met:

1. The ejected spectator must schedule and complete a meeting with school administration to review the incident and discuss expectations for future conduct.
2. The spectator must complete the *NFHS The Parent Seat* online course and provide proof of completion to school administration.

Only upon satisfying both requirements will the individual be considered for reinstatement to attend school-sponsored events. Repeated violations may result in extended or permanent restrictions from attending future events. This policy is designed to reinforce the importance of respectful behavior and to support a positive environment for all students, staff, and community members.

NEW ENGLAND PUBLIC SCHOOL PARENT/COACH COMMUNICATION POLICY

At New England Public School, we believe that open, respectful communication between parents and coaches plays a vital role in the overall success and positive experience of our student-athletes. Parenting and coaching are both challenging responsibilities, and understanding each other's roles helps create a supportive environment that benefits the growth and development of our students.

Purpose

The purpose of this policy is to outline clear expectations for communication, define appropriate topics for discussion, and provide a structured process for resolving concerns in a constructive manner.

Communication Parents Should Expect from Coaches:

1. The coach's philosophy and program goals.
2. Expectations for student-athletes, both on and off the field.
3. Practice, game, transportation, and team function schedules.
4. Information regarding any required equipment or attire.
5. Procedures in the event of an injury.
6. Disciplinary actions affecting participation.
7. Identification of staff members working directly with the team.

Communication Coaches Should Expect from Parents:

1. Notification of scheduling conflicts well in advance.
 2. Information regarding specific health issues.
 3. Family situations that may affect participation.
 4. Interest in camps, clinics, and off-season activities.
 5. Inquiries about training, nutrition, and wellness.
 6. Questions about the college recruitment process.
-

Inappropriate Topics for Parent-Coach Discussion:

- Playing time decisions
- Team strategy or play calling
- Line-ups or position assignments
- Selection of captains
- Comparisons to other student-athletes

- Concerns involving other parents
- Past team/player decisions

These topics fall within the professional discretion of the coach, who is responsible for team structure, playing time, and overall program direction.

Conflict Resolution Protocol:

When concerns arise, student-athletes are encouraged to first speak directly with their coach. Developing the ability to advocate respectfully for oneself is an essential life skill and an important part of the athletic experience.

If further discussion is necessary, parents may request a meeting with the coach following these procedures (failure to do so may result in a violation of New England School Board Policy KAAA):

- Never confront a coach before or after a game or practice.
 - Observe the 24-hour rule — wait at least 24 hours before addressing a concern to allow for reflection and professionalism.
 - Schedule all meetings in advance by contacting the coach directly or through the athletic office.
 - Follow the proper chain of communication as outlined:
 - Player – Coach
 - Player – Parent – Coach
 - Player – Parent – Coach – Athletic Director
-

If the Concern Persists:

If a satisfactory resolution is not reached after meeting with the coach, parents may contact the Athletic Director to request a follow-up meeting involving the parent/guardian, coach, Athletic Director, and, when appropriate, the student-athlete.

Should a formal complaint be submitted, New England School Board Policy KACB will be followed. The coach will be notified by the Athletic Director and given the opportunity to be present at the meeting. All concerns will be handled in a respectful and confidential manner.

Final Authority:

Coaches have full authority in determining team composition and playing time. These decisions are made based on the coach's professional judgment and are not open to parental negotiation.

By adhering to this communication policy, we can foster a respectful and collaborative athletic environment where student-athletes thrive. Failure to follow the parent/coach communication guidelines may result in disciplinary action, consistent with the consequences outlined in the spectator ejection policy.

New England Public School Athletic Handbook Acknowledgement Form

We acknowledge that we have received, read, and understand the New England Public School Athletic Handbook. We understand the expectations, policies, and procedures outlined in the handbook, including but not limited to the Code of Conduct, eligibility requirements, transportation policies, uniform/equipment responsibilities, social media guidelines, and communication protocols.

We recognize that participation in athletics is a privilege that requires adherence to these expectations and that violations may result in disciplinary action, including suspension or removal from the team. By signing below, we agree to abide by all guidelines set forth in the New England Public School Athletic Handbook.
