Procedures for Payment of Fees, Permitting and Licensing.

Payment of fees for all plans examination, new construction inspections and testing, reinspection and retesting, and permits and/or licenses, shall be made in advance, prior to the providing of said services, the issuance or approval of any permits, licenses or certificates of occupancy. Payment of fees for special services, including standby firewatch service, standby rescue service, emergency medical services, etc., shall be made in advance based on a reasonable estimate of the required hours of service in accordance with established minimums. If the actual number of hours is more or less than estimated and paid for, adjustments shall be made to the nearest one-half (½) hour. Proper application for special permits/licenses, and special services, shall be submitted to the BSO Fire Rescue, Fire Marshal's Bureau, no later than fifteen (15) working days prior to the requested permit-license issue date or event date. BSO Fire Rescue may refuse to provide special services, and/or refuse issuance of special permits/licenses, if the application or request for same is untimely, full payment has not been made in advance, or if said permits/licenses will interfere with regular or emergency operations. There shall be assessed a late payment fee of Fifteen Dollars (\$15.00) per day, for each additional day that the fees remain unpaid after the payment due date. All fees rendered for services shall be made payable to the Broward Sheriff's Office. Applicable fees, as set forth in this section may be waived or reduced as provided by Section 23.94 of this Code for the development of affordable housing.
