A school shall not allow a minor student to become a member of a club or organization, or allow a minor student to participate in any activity of a club or organization, unless the student's parent or legal guardian first provides consent to the student's membership or participation in a dated, written consent.

All clubs and organizations will require the Bedford County Schools Club and Organization Participation Form to be completed by the student and the parent or legal guardian prior to participation in any clubs or organizations.

The signed and dated forms will be returned to the club/organization sponsor prior to participation, signed annually, and kept on file by the sponsor.
