

Liberty Middle School Athletics
Grade and Behavior Policy (Updated 2022)

Grade Policy

1. Grades will be checked by the coaching staff or Athletic Director every grade report. This will include the mid-nine weeks report as well as the report card.
2. Everyone that participates in any athletics at Liberty will be required to maintain a C average with no failing grades.
3. If the athlete does not maintain a C average or does have a failing grade, he/she will be put on academic probation until the grade is pulled up.

Probation time: Minimal is one week/ the maximum is 9 weeks

4. During this probation time the athlete will be allowed to participate in all team activities, but he/she will not be allowed to play in any games. If the athlete fails to bring up their grade or has another failing grade by the next nine weeks period, the athlete will be placed on indefinite academic suspension. During this period, the athlete will not be able to participate in any practices, games, or team functions. Tutoring is available for all student athletes. If an athlete would like to continue as part of the team, it is in the players best interest to attend tutoring after school.

Behavior Policy

1. If any player receives ISS during the season of the sport, he/she is participating in, the player will not be allowed to participate in any team or game functions that day.
2. Any player that receives OSS will be ineligible to practice or play during the assigned day or days he/she is out. The player will also not get to play in the upcoming game that is scheduled during their OSS or following their days in OSS.
3. If a player is placed in ISS or OSS a second time during the season, the final consequences will be determined by the administration at Liberty.
4. If a player has an unexcused absence for the day, he/she will not be allowed to participate in any sporting event that day.
5. If a player misses half a day with an unexcused note, the player will be able to play as long as he/she is there for at least half of the school day.

All Liberty athletes will follow these guidelines. There are NO exceptions for anyone.
