Section 1A: Literacy Vision and Mission Statement

1. What is the school/system's focus and mindset around literacy?
2. What is the primary, overarching goal and expected or intended outcomes for the school(s) around literacy?
3. Are the vision and mission statements inclusive of all leaders, teachers, students, and families?

Literacy Vision

To develop, implement, monitor, and sustain a literacy initiative utilizing High Quality Instructional Materials, Literacy Professional Development, and Literacy Assessments aligned to the science of reading.

Literacy Mission Statement

Every student will develop and demonstrate effective reading, writing, speaking, and listening skills by participating in high quality, explicit literacy instruction across all content areas.

Section 1B: Literacy Goals

1. What are the overall literacy goals?
2. What are the student-focused [leading and lagging goals](#), including individual subgroups?
3. What teacher-focused goals lead to students meeting their goals?
4. What are the program-focused goals for creating structures that help students and teachers succeed?
5. How is the plan to measure these goals?

Section 1B: Literacy Goals

Goal 1 (Student-Focused)	By the end of the 28-29 school year, grade band 6-8 will increase their proficiency by ____% (+6%).
Goal 2 (Teacher-Focused)	Each year by the start of school, all K-8 teachers will be introduced to the HQIM within the district. Each year all K-8 teachers will successfully use curriculum-embedded assessments to drive instruction. Each year by September 1, all K-8 intervention teachers will be trained on implementing interventions using the adopted instructional materials.
Goal 3 (Program-Focused)	Beginning in August 2026, 100% of grade levels will conduct weekly teacher collaborations where student data is used to determine transfer and effectiveness of core high quality instruction. Each year by September 15, all teachers will implement Tier I curriculum and small group intervention using the core curriculum and structured literacy approach. By September of each year, all students will begin receiving prescribed interventions aligned to needs identified in data sources. By May 2029, 80% of ELA teachers will demonstrate proficiency as measured by the LER.

Section 2: Explicit Instruction, Intervention and Extension

[Louisiana's Tiered Pathways for Literacy Support](#) (TPLS) Framework guides implementation of healthy Tier I core instruction and extension, as well as effective Tier II and Tier III interventions. While acceleration, intervention, and special education services are essential, they cannot replace coherent literacy instruction using high-quality instructional materials (HQIM). Healthy Tier I instruction for all students is the best prevention measure against overloading the intervention system. This section is designed to support Tiers I, II, and III instruction.

Section 2: Explicit Instruction, Intervention and Extension

Tier I	- Are Tier I instruction and small-group support consistently delivered by a classroom teacher trained in the effective implementation of approved HQIM? - Strong Tier I instruction should result in at least 80% student mastery in overall class assessment data. - Are curriculum-based assessments from HQIM used consistently to evaluate the effectiveness of Tier I core instruction? - Is the Instructional Leadership Team (ILT) trained in the implementation and evaluation of the HQIM? - Is there a regular walkthrough schedule to determine support around Tier I? - Is the ILT responding to data to support a healthy Tier I? - Are teachers and leaders effectively trained in unit and lesson preparation (K-2 Skills Unit, K-2 Skill Lesson, K-2 Knowledge Unit, K-2 Knowledge Lesson, 3-12 Unit Preparation, 3-12 Lesson Preparation) - What data and resources are being used to support extension?
Amount of time spent on daily literacy skills instruction and how it is used	Grades 6-8 (60 minutes)
English Language Arts textbooks and instructional materials used	Grades 6-8 - Louisiana Guidebooks (version 2024) is utilized for Tier I Instruction.
Tier II	- Is the Tier II intervention being provided by a classroom teacher/tutor or other extensively trained literacy educator using approved HQIM? - Are curriculum-based measures and assessments from HQIM consistently used with integrity to reflect the effectiveness of the Tier II intervention? - Does the skill of the intervention and the progress monitoring tool align with the identified needs of the student based on current literacy assessment data? - Do student schedules ensure they are not pulled from Tier I core instruction to receive Tier II intervention? - Has progress monitoring of Tier II intervention occurred bi-weekly or weekly, depending on the needs of the student as indicated by assessment data?
Tier II plan, including the amount of time	Grades 6-8 students receiving Tier II instruction will receive small group during independent practice as needed.

Section 2: Explicit Instruction, Intervention and Extension

List of available interventions and their descriptions	Grades 6-8 Tier II students will receive supports from Guidebooks.
Tier III	1. Is the Tier III intervention being provided by a literacy staff member who possesses deep conceptual knowledge and specialized skills in reading instruction and has been fully trained in the adopted Tier III curriculum? 2. Are curriculum-based measures and assessments from HQIM consistently used with integrity to reflect the effectiveness of the Tier III intervention? 3. Does the skill of the intervention and the progress monitoring tool align with the identified needs of the student based on current literacy assessment data? 4. Do student schedules ensure they are not pulled from Tier I core instruction to receive Tier III intervention? 5. Is progress monitoring of Tier III interventions occurring at least on a weekly basis to track student progress and adjust interventions as needed?
Tier III plan, including the amount of time	Grades 6-8 students receiving Tier III instruction will receive an additional 60 minutes 5 times per week.
List of available interventions and their descriptions	Grades 6-8 Tier III students will receive instruction in the intervention program, IXL. A benchmark assessment is administered three times a year. This assessment identifies individual student skill gaps and provides students with a specific diagnostic plan that students work through with teacher support. Students are progress monitored every 3 weeks within the program.

Action Plan					
Goal	Timeline	Action Steps	Person(s) Responsible	Resources	Monitoring Evidence of Teacher and Student Success
1	August -September	Create first cycle of ILT and TC around unit and lesson preparation	ILT Team/Instructional coach	3-12 Unit Preparation 3-12 Lesson Preparation	-teacher unit preparation documents will demonstrate teacher understanding of skills and knowledge unpacked from HQIM assessments, rubrics, exemplars and texts -lesson annotations demonstrate understanding of lesson and activity purpose, mastery expectations for that day's lesson, what parts of the lesson will be explicitly modeled, and student differentiation -95% of observed students are engaged in and demonstrating learning through reading, speaking, listening, or writing tasks that are explicitly aligned to the lesson's learning objective and the unit's identified knowledge and skills. Evidence: Student exit tickets, daily formative assessments, and walkthrough data -A measurable increase in performance from section diagnostics to culminating writing tasks, with at least a 10% increase in students meeting or exceeding proficiency. Evidence: Section
