SchoolStatus Connect

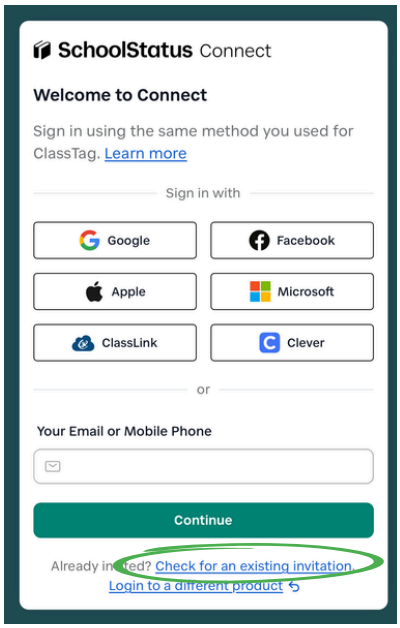

Parent Guide for Setting Up School Status Account

To set up an account to School Status to easily communicate with your child's teachers via text or email, follow the following steps.

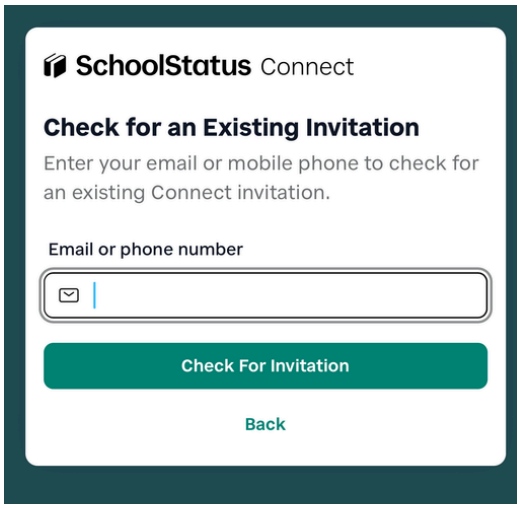

1. From your Google PlayStore or App Store, download the School Status Connect App.

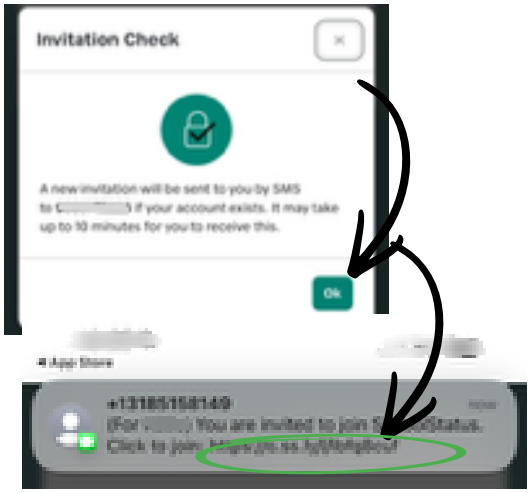

2. Select the "Check for invitation" option.

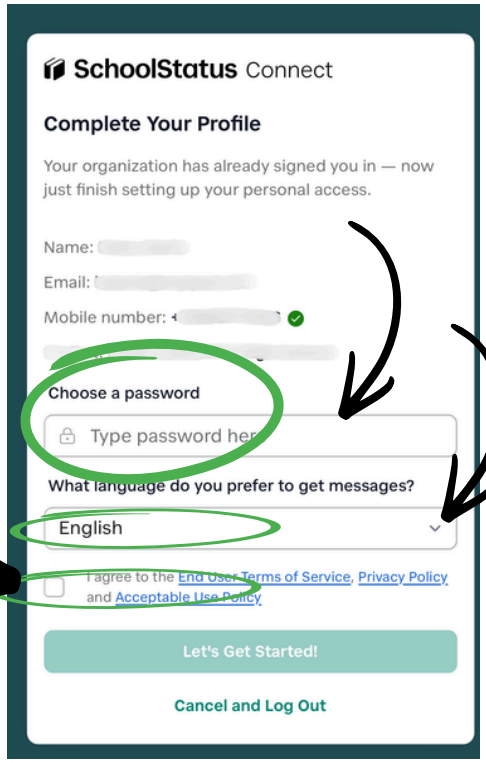

3. Type your phone number associated with your child's OnCourse account.

4. Press "OK" and then click on the link from your text message.

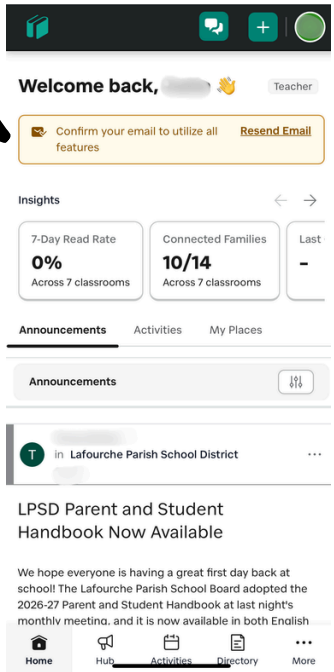

5. To confirm account, send a confirmation link to your registered OnCourse email. Create a password for your account, and select the agreement statement. Change language if necessary.

6. Select "Let's Get Started."

7. Check your email to confirm your account with a final code.

8. Confirm.
