Your Back-to-School Family Checklist

As we are preparing to welcome students back on **Thursday, August 13**, Coweta Public Schools has made it easier than ever for families to stay informed and connected.

Whether you're enrolling a new student, checking grades, looking for school supply lists, reporting an absence, or staying up to date on district news, our **website, Parent Resource Hub, PowerSchool Parent Portal, and Coweta PS App** work together to give families one convenient place to find the information they need throughout the school year.

Before the first day of school, please take a few minutes to complete this checklist.

✅ Log in to Your PowerSchool Parent Portal

Every Coweta family should log in to the PowerSchool Parent Portal before school begins.

The Parent Portal is becoming one of the most important tools families will use this year. It provides secure access to your students' information while also serving as the location for important district forms and acknowledgements.

Through the Parent Portal you can:

- Complete required annual forms and technology agreements.
- Verify emergency contacts and student information.
- View grades, attendance, schedules, and report cards.
- Receive important notifications about your student's progress.

If you have not yet created your Parent Portal account—or need help with your username, password, or linking your student—visit the **PowerSchool** page on our website or contact our Technology Help Desk for assistance.

✅ Download the Coweta PS App

Stay connected wherever you are with the **Coweta PS App**.

The app delivers school news, district announcements, calendars, notifications, and important updates directly to your mobile device. Families without a smartphone can access the same information anytime by visiting our website.

Child Nutrition Information

Please make sure to add money to your child's school accounts prior to school starting. You can easily do this by going to myschoolbucks.com .

All families are also encouraged to fill out the 2026-2027 Free & Reduced Lunch Application. You can click on the following link beginning on August 1st which will take you to the site where you can find the application myschoolapps.com . There are a lot of families that don't even realize that they can qualify and even if you do not qualify for meal assistance, it still helps the school with federal funding.

Please remember that the USDA requires that the forms be filled out each year so even if you qualified last year, you still must fill out a new form again this year. Having this done prior to school starting will allow our department time to go through them to make sure everything is in order.

If you have any questions for our child nutrition department, please reach out to our director Vickie Middleton. Her email is Vickie.middleton@cowetaps.org or you can call 918-486-0801

Safety Updates

Make plans to attend the Community Safety Night

Join us for Community Safety Night on Monday, August 11, at 7:00 p.m. in the Sloat Junior High Cafeteria/Commons. This informative evening is designed to help families better understand the safety programs, resources, and procedures that support our students and schools.

Topics will include the Standard Response Protocol (SRP) from the I Love U Guys Foundation, the STOPit anonymous reporting app, Title IX information, cyber safety tips for students and families, and introductions to our School Resource Officers (SROs). We encourage all parents, guardians, and community members to attend and learn more.

When you have some time please familiarize yourself with our Standard Response Protocols that we will use during this school year. This will definitely help in understanding what each one means when you get a notification. You will also see information regarding the STOPit reporting system. This system can be used by students and parents to report concerns anonymously. School Safety/Coweta Public Schools
