SCHLARMAN
CELEBRATING 80 YEARS OF CATHOLIC EDUCATION

A Newsletter For Alumni & Friends of Schlarman

Fall/Winter 2025

Letter From The Academy Principal

Dear Schlarman Families, Alumni, and Friends,

As the Holidays quickly approach, I am reminded of the many reasons we have to be thankful. Many of us have had good times and not so good times, but the Schlarman Family always supports one another and we rise above the challenges we face each day. Let us all remember how blessed we are in our lives and just how good God has been.

This first semester has been a whirlwind, but we have so many things to celebrate thus far. We have taken many steps to beautify our campuses particularly at the North Campus. The Advancement Office has been hard at work securing funds, donations, and grants to allow us the means to add new doors, ceiling tile replacements, painting done outside the gym and in the cafeteria up north, window replacement, new LED lighting, and the new boiler and heating systems at South Campus, just to name a few! There is still much to do and that is why I still reach out to parents needing volunteer hours. Please help us continue in a positive direction by volunteering your time over the holidays to get some much needed things done. Please reach out to our Facilities Director, Erin Forsyth at the North Campus. We thank you in advance for your support!

Academically we have increased our course offerings for students and have added four new certified staff members this year. With the addition of these staff, we are for the first time offering a Junior and Senior Class Seminar which has allowed all of our Seniors to complete the Common Application for college admissions by the November deadline. Many of these students are currently receiving notification of their acceptance to colleges they have applied to. With the help of staff these students are well ahead of the game and will complete the next phase of this process which is getting those scholarships to be able to attend the college of their choice. Sophomores, Juniors, and Seniors, are receiving more exposure to schools through the college visits being offered this year and by the knowledge and expertise of Ms. Lori Woods, teacher. We are grateful to have her with us because she brings many years of experience not only as a Math teacher, but also with her knowledge and background in securing students scholarships through her ability to identify their strengths needed for college acceptance.

Socially, we have brought back the Student Council at every grade level. This has increased our community involvement, and the different activities the students have sponsored for example making Homecoming more of a "family event". We had an awesome turn out and the involvement with the South Campus students turned out to be fun for all. There was also a Halloween Trick or Trunk sponsored by the student council which was also well attended. There were several trips made to get additional candy because the turnout was so high! Teaching our students the importance of giving back to the community is essential to their social and spiritual growth.

This year staff have also worked closely once again with the Regional Office of Education to take on curriculum in the area of English Language Arts (ELA). Teachers have been working collaboratively to discuss standards being taught and how to prioritize those standards. We also continue to address culture and climate within the schools so that we can continue to support the vision and mission of Schlarman Academy. These discussions will continue throughout the school year and then we will turn our focus next year to Math. Academic resources for all areas of learning have increased as well. We also have a large number of students taking three or more DACC classes for dual enrollment. AP Classes are offered by our current staff of teachers. We will continue to identify areas of interest for our students so that we can continue to increase electives at the high school level.

As I enter my final semester as the Principal of Schlarman Academy, I am committed to work hard for the students and staff of this school. I took this position because I believe that this community needs a school like Schlarman Academy because parents need a choice, and not every child is successful in a large school environment. What I have learned since I arrived here is that this school is truly a family atmosphere built on a long history of community. There is no doubt in my mind that there isn't anything they would not do to keep this school moving in a positive direction. I believe that is what we all want, but we have to move forward with the same energy and consistency that Schlarman Academy was built on. We are getting closer each day to building on those old traditions that make Schlarman Academy the best it can be.

My mantra has always been that you leave a school better than you found it. I hope that will be the case at the end of my time here, but until that time comes, there is still much work to be done. I ask that if you have not reached out or asked, "what can I do to help", please do. That is what we do here at Schlarman, I've seen it, I've experienced it, and that is the only way we can continue to thrive.

Finally, let's all make history this year and make the Annual Appeal the best yet!! Let's show this community what a great school we have, and that we want it to be here for many years to come! Thank you for such a great opportunity to serve as your leader!

Respectfully,

Tracy Cherry, Interim Principal

Letter From The Advancement Team Leader

Welcome Back, Toppers: ***Celebrating 80 Years of Community, Generations of Impact!***

The 2025-2026 academic year marks a momentous occasion: Schlarman Academy's 80th Anniversary. We are thrilled to welcome back returning families, and extend a warm Schlarman welcome to new students and staff joining our family. Our 80th year is already off to a busy start. Our Advancement team has been busy planning fundraising events, and we are working hard to continue delivering exciting upgrades for our families.

Enhancing Our Digital Connection

A key part of our upgrades for this year is the launch of our new web design, featuring an associated app and mobile notifications for all Schlarman families. This fresh digital platform serves as a modern "front door"; for current families, prospective students, donors, and alumni alike. It offers a one-stop communication hub for all school and athletic events, essential updates, school closings, and much more. We encourage everyone to explore the new site at www.schlarman.com and download the associated app to keep up on all the Topper Happenings!

Campus Improvements on the Horizon

Thanks to the incredible generosity of our donors and successful grant opportunities, several exciting campus projects are in the pipeline. Look for new front doors for the North Campus, updated shot clocks for the North Campus gym, cafeteria enhancements, and planned bathroom upgrades at the South Campus. I want to acknowledge that we are always deeply grateful for a generous donor who makes Dual Enrollment and College Express at DACC possible for our students, year after year. Our partnership with DACC is like no other, given our smaller classroom sizes.

Double Your Impact: The 80th Anniversary Annual Appeal

We have recently launched our Annual Appeal, which has an ambitious goal this year. In celebration of our 80th anniversary, a generous donor has pledged to match every dollar we raise—up to $150,000—until June 30, 2026. This incredible opportunity allows us to double the impact of every contribution. Funds raised will directly support our scholarship program and tuition assistance efforts. We are only a few weeks into the appeal, and the response from our alumni and donors has been phenomenal. Every dollar, no matter the amount, makes a difference in a student's life. It is a powerful reminder that no matter the distance, "Once a Topper, Always a Topper."

Schlarman in the Community

In the spirit of giving back, our team recently honored World Kindness Day (November 13, 2025) by organizing a collection of perishable items for our local Parish food pantries. The need was great, and our students and families truly stepped up to help their neighbors. We love seeing our students spread kindness throughout Vermilion County. We deeply value the strong partnerships we have with local businesses. Whether it's a radio advertisement, an ad in a real estate brochure, student visits to an assisted living facility, or contributions to a local food pantry, these events highlight our strong bond with the community. Schlarman takes pride in being an essential part of this supportive community!

Sincerely,

Jennifer O'Brien

Schlarman Advancement Team Leader

IMPORTANT DONOR INFORMATION-NEW TAX LAW GOES INTO EFFECT

Under current law, taxpayers who take the standard deduction (those who do not itemize) generally cannot deduct charitable contributions. **Beginning in 2026,** a new tax law restores an above-the-line deduction for cash gifts made to qualified public charities. This means even if you don't itemize, you can still deduct charitable gift up to $1,000 for single taxpayers and $2,000 for married couples filing jointly.

Letter From The Chaplain

Dear Hilltoppers and friends,

7th-12th graders recently enjoyed retreats with NET Ministries. The day included spiritual talks, games, skits, Eucharistic Adoration, Mass, music, building friendships, and small group discussions. I am hopeful that everyone took a step closer to Jesus during this time of prayer and reflection.

November is a special month to pray for souls in purgatory and to visit cemeteries. As the Schlarman community, we pray for all our deceased benefactors and alumni.

Thanksgiving reminds us to be thankful. An essential form of prayer is thanking God. Attending Mass is the supreme act of thanksgiving. We are thankful for the good teachers and families at Schlarman.

I recently trained a few new altar servers at the south campus. It is wonderful to see their interest in the Mass. Our 2nd graders are preparing for First Holy Communion and 8th graders for the Sacrament of Confirmation. These sacraments are special times for the family to grow in God's grace. We had a good parent meeting to discuss the preparation for the Holy Eucharist and Confirmation.

Please pray for an increase in the enrollment at the high school. Please pray for the principal search process. Please pray that we can provide an authentic Catholic environment for all our teachers and students.

Our Lady of Victory, pray for us!

-Fr John Cyr, Chaplain of Schlarman, Pastor of St Paul

A Magical Week in a Magical Kingdom
Homecoming 2025

Pictured above: Freshmen Attendants: Sawyer Billings & Bayleigh Smith. Sophomore Attendants: Ian Beasley & Yesenia Guerrero. Junior Attendants: Martello Barnes & Irene Rangel.

2025 King Jerrius Atkinson
Queen Isabella Bogen.

Pictured above: Senior Attendants: Jack Barber, Kaitlyn Clark, Charles Medlin, Ana Johnson, Jamie Rapier & Kaitlin Stuhr.

Schlarman Academy celebrated Homecoming the week of October 6th through October 10th. The senior class chose the theme "Disney" and sponsored several activities for the students to participate in throughout the week including: hall decorating, theme days, class competitions, ironman volleyball, ultimate frisbee, dodgeball, and powder puff football. The Homecoming dance and coronation were held in the Paul C. Shebby Gymnasium.

Schlarman Royalty...a Bogen family tradition

Pictured above L to R are: 1994 Prom Queen Sarah (Blan) Bogen, 2019 Homecoming Queen Emma (Bogen) Blurton, 2021 Homecoming Queen Caroline Bogen and 2025 Homecoming Queen Isabella Bogen.

Hilltopper Happenings

Our Title I teachers, Mrs. Harvey & Mrs. Moore, hosted our 2nd Annual Reading Night! This was an extra fun treat for our students during the week of Halloween!

When the Saints go marching in!
2nd grade celebrates All Saints' Day

Our Junior High and High School students experienced two days of impactful religious retreats at Kennekuk County Park, led by a dedicated team from NET Ministries. The program included engaging group presentations, small group discussions, personal testimonies, and meaningful opportunities for prayer.

Hilltopper Happenings

Pet Blessing

Our students and their families brought their animal friends for the Annual Pet Blessing on the Schlarman South Campus parking lot.

Outdoor School

Fourth grade had a busy week at Outdoor School at Kennekuk County Park. The students went on trail walks, hiked to the pond and dipped nets to investigate mussels habitats, a trip up the Tower, and a visit to Pioneer Homestead! What a fun week learning and exploring nature!

Kindergarten Celebrates Pumpkins!

StuCo Returns to North Campus

Schlarman Student Council is back in full swing taking part in many community activities. Our students have been busy, with the guidance of their sponsor, Ms. Lori Woods. They participated in Hispanic Heritage month, the American Legion 5K, a fun trunk-or-treat, and created several trees for the Festival of Trees.

Congratulations Charles Medlin

A huge congratulations to senior swimmer Charles Medlin, who will continue his career at the University of Illinois Chicago after signing his letter of intent.

The UIC Flames are gaining a talented and dedicated athlete.

We are proud of all you have accomplished as a Hilltopper and look forward to cheering you on!

Advancement

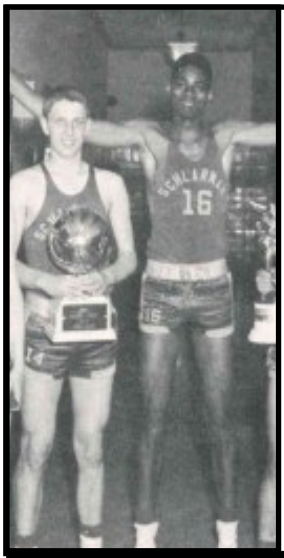

Mark & Carl Van Doren Scholarship: This $1,000.00 annual scholarship has reached full endowment status and is sponsored by Michael C. Eberhardt (SHS ’65) and is intended for a Schlarman graduate attending Danville Area Community College. In addition to the annual scholarship a wall exhibit honoring the brothers is being installed in the DACC library.

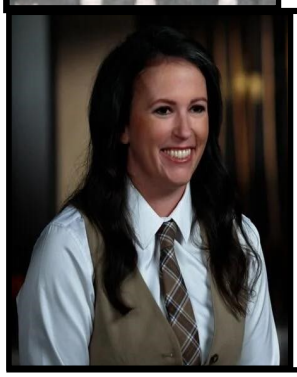

80th Anniversary Fr. Motsett Scholarship Project: 2025 marks the 80th anniversary of Schlarman, during which over 4,000 students have graduated and moved on to a wide variety of higher educations and successful careers. During those 80 years, probably no one had a longer and more meaningful affiliation with Schlarman than Monsignor Charles B. Motsett---revered for his kindness and commitment to so many students and their families. It is, with his memory in mind, that a **Schlarman 80th Anniversary scholarship** fund in his name has been established.

We have received over $10,000 to date for this scholarship fund with the goal of at least $20,000. This would help secure the scholarship’s funding indefinitely. If you would like to contribute to our 80th Anniversary endowed scholarship fund in the name of Monsignor Motsett, please send your contribution to: Schlarman Advancement Office, 2112 N. Vermilion St., Danville, IL 61832 or you may donate online at www.schlarman.com

Alumni in the news…

In a ceremony held this past fall the late Jim Williams ’54 & the late Tony Davis ’53 were inducted into the Illinois Basketball Coaches Association for outstanding achievement in Illinois Basketball.

2006 Graduate, Molly (Willaman) Harris was featured on NBC’s Dateline this September for her role in helping solve a high-profile murder case in Colorado. Mrs. Harris is currently a detective with the Aurora, Colorado Police Department.

2019 Graduate, Anaya Peoples, signed with O.ME.PS Battipaglia, a professional women's basketball club based in Battipaglia, Italy. Anaya is a shooting guard for the 25/26 Basketball season.

Fr. Paul Faulstich, SJ, a 1955 graduate, was honored at St. Paul’s Catholic Church for his 70th anniversary of entering the Jesuit order.

Attention all alumni! *We would love to hear from you! Have news to share? Let us know by emailing Kassidy Muehl at kmuehl@schlarman.com*

Being a Hilltopper stays with you forever...

Testimonials

A Schlarman Senior

"*I love my school because the people are friendly and supportive, making it a great place to learn and grow. The academics challenge me to think critically and prepare me for the future. The environment is welcoming and encourages both personal and academic success.* "

A Schlarman Junior

"*I enjoy going to Schlarman Academy for many reasons. One reason is the great friends I've made during my time here, they are the best friends I could ever ask for. Another is how faithful people here are. And the last is the family aspect. Everyone treats everyone like family and I think that is a great thing.*"

A Schlarman Junior

"*I like being at Schlarman because of the sense of community this school has. The students and staff always feel like they're always on the same level. It always feels like no matter how many times we argue we always find a way to make up.*"

A Schlarman Sophomore

"*I love being at Schlarman Academy. I get to see my friends everyday and have fun while learning. Schlarman Academy has amazing academics, and is setting me up for future success.*"

Dr. John Shea: *"...Schlarman offers religious instruction and provides opportunities for spiritual growth and theological development. This builds upon family values that are instilled in the student at home, and it's done in a welcoming, supportive, and nurturing atmosphere, most importantly with role models that emulate their Catholic faith…"*

Dr. Mark & Sue Pellegrini: *"...Schlarman Academy offers strong academics and fosters a sense of belonging. Our children were challenged to do their best in the classroom, while learning the importance of kindness, service and integrity…"*

Patrick & Sarah Bogen: *"...A lot of the successes and accomplishments we all have had in life can be traced back to our education and work ethic that was established during our time as Hilltopper students…"*

Rob & Meg Kelsey: *"...Schlarman supported the Catholic beliefs of our families and helped us to know the importance of our faith…"*

Mrs. Lisa Lukas: *"...If I had to sum up in a few words why Schlarman Academy is so dear to me, I would use the words FAITH, FAMILY, and FRIENDS. Schlarman is a faith-filled community with many friends who are like family to me. I plan to spend my entire teaching career at Schlarman Academy…"*

Rev. Paul Faulstich

Mrs. Raj Karinattu

Alumni Reunion News

The Schlarman High School Class of 1960 recently celebrated its 65th reunion with several events, including a tour of the school campus.

The Class of 1975 also marked a milestone, celebrating its 50th reunion. The celebration gave alumni a chance to reconnect and honor their graduating class.

Congratulations to all Schlarman alumni on these special anniversaries!
