In accordance with the Open Public Meetings Act, P.L. 1975 Chapter 231 as amended by P.L. 2025 Chapter 72, adequate notice of this meeting was provided on March 3, 2026 by posting the notice on the Glen Rock Public Schools website where legal notices and advertisements are listed glenrocknj.org/board_of_education/notices

MISSION STATEMENT

The Glen Rock School District founded on principles of education, in partnership with a supportive community, provides an exceptional education to all students to cultivate resilient, responsible and engaged global citizens.

STATEMENT TO THE PUBLIC

Often times it may appear to members of our audience that the Board of Education takes action with very little comment and in many cases by unanimous vote. Before a matter is placed on the agenda at a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied and Board of Education President concurs that the matter is ready to be presented to the Board of Education, it is then placed on the agenda at the next Board of Education meeting. The members of the Board work with the administration and the Superintendent of Schools to assure that they fully understand the matter. After the Committee of the Whole approves the matter, it is placed on the agenda for action at a public meeting. In

rare instances, matters are presented to the Board of Education for discussion at the same meeting that final action may be taken.
