WATER RATE & WASTEWATER RATE STUDY WORKSHOP MINUTES

Notice is hereby given that the City Council of the City of Grand Saline, Texas will conduct a **Water/Wastewater Rate Workshop** on:

Date: Thursday, August 27, 2026
Time: 5:30 p.m.
Location: 318 Saline Street, Grand Saline, Texas 75140

The purpose of this workshop is to discuss and consider matters related to the proposed water and wastewater rate increases for Fiscal Year 2026-2027 including revenues, expenditures, depreciation, capital improvements, and other related items.

A presentation by representatives from the Texas Rural Water Development will be presented regarding the City's water rate study, including review of the City's current water rates, wastewater rates, utility revenues and expenses, and recommended rate structure.

A quorum of the City Council may be present; however, no formal action will be taken at this workshop. This meeting is open to the public and is held in accordance with Chapter 551 of the Texas Government Code (Texas Open Meetings Act).

The workshop was called to order at 5:33 PM with all council members present.

Representatives from Texas Rural Water Development presented the findings of their water and wastewater rate study. The presentation included a review of the City's current water and wastewater rates, utility revenues and expenses, and the financial needs of the water and wastewater systems.

The representatives reviewed their analysis with the City Council and presented a recommended rate structure designed to support the financial stability and operational needs of the City's water and wastewater utilities.

The City Council discussed the findings, proposed rate structure, and the potential water and wastewater rate adjustments for Fiscal Year 2026–2027. No formal action was taken during the workshop.
