AREMCO 707-B Executive Boulevard, Valley Cottage, NY 10989 845 268 0039 aremco.com

Now Hiring: Production Technician/Compounder

Full-time, 8:00 am to 4:30 pm, Monday - Friday | Salary: $20 - $25/hour, based on experience

Position Overview

We are seeking a detail-oriented and physically capable Production Technician to weigh, mix, pour and clean equipment in a clean and organized environment. This is a physical but highly learnable job. We provide full training and encourage applicants from all backgrounds.

What You Need:

- Ability to read, write, and speak English, and perform basic math
- Reliable transportation or willingness to relocate
- Lift/move items up to 65 lbs regularly
- Wear a half-face respirator when required
- Stand and maintain physical stamina through the shift: reaching, bending, using hand tools
- Strong work ethic, punctuality, and team-oriented mindset

What You'll Do:

- Follow written and verbal instructions to prepare batches of liquid and powdered materials
- Weigh and mix materials using basic and industrial tools
- Safely dispense liquids and powders into containers, label correctly
- Clean, sanitize and maintain production equipment, including disassembly
- Make real-time decisions to ensure quality and safety standards are upheld
- Communicate clearly with team member

Benefits:

401k, Health, Dental and Vision Insurance, Paid Time Off
