

Dropped Team Form

Section One Operational Standards

“If a school drops a varsity team on/after the first day to play all league opponents will be granted a win and may not replace those games, however, all non-league opponents have the opportunity to replace the games or accept a forfeit. Prior to the first day to play all teams can replace all games in the event a school drops their varsity team.”

Completion of this form signifies that the team specified below is dropping their schedule for the respective sport season. By submitting this form, the team’s season will be over and you accept the following conditions:

- Your school is responsible for cancelling all games within the scheduling system
- Your school is responsible for contacting all scheduled opponents directly
- As per the standard included above: In the event that the team being dropped is occurring after the first day to play AND is at the Varsity level, all league opponents will be granted a win and may not replace those games, however, all non-league opponents have the opportunity to replace the games or accept a forfeit.
