#10 Personnel

A. Marie Green, Concession Manager

The district, in collaboration with the High School ASB, has established a Concession Manager position with a \$3,000 stipend funded by the district during the school year. The Concession Manager coordinates student groups to operate the concession stand, manages inventory, and purchases supplies using district funds. At the end of the year, the ASB will reimburse the district for the \$3,000 stipend and the cost of supplies. Of the total proceeds, 20% will be retained by ASB to support athletic uniforms, while the remaining 80% will be distributed among the groups that staffed the concession stand throughout the year. To streamline operations, the district also purchased two iPads and Square systems for both concessions and admissions, which will not be reimbursed by ASB.

D. Cody Olsen, 8th Grade JH Girls Basketball Coach

Cody Olsen was interviewed by Marie Green and Justin Laine and was selected to be the 7th grade girls basketball coach.

E. Dustin Bauman, Esports Coach

We are excited to launch an Esports team this fall, beginning with a Junior High team. Dustin recently met with students, and 17 expressed interest in participating. The team will compete in Rocket League, a fast-paced game that combines soccer with cars. A High School team will be added later this spring as part of the high school league season. We are in the process of purchasing the necessary gaming consoles and equipment to get the program fully underway. The goal of this new team is to provide students with another meaningful way to connect with their school, build strong relationships, and show their Comet Pride.

F. Dan Chadwick, HS Boys JV Basketball Coach

Dan Chadwick was interviewed by Marie Green and Blake Updike and was selected to be the HS Boys JV basketball coach.

G. Kelsi Nelson, Social Media Resignation

Due to sudden and unexpected personnel changes at the Liberty Theatre, Kelsi will be taking on additional responsibilities starting this Wednesday, which will make it difficult for her to continue serving as social media manager while adjusting to these new demands.
