History of CRHS

The Cumberland Regional High School District is carved out of the northwest section of Cumberland County, New Jersey. Seven municipalities, whose boundaries are the same as the school districts in them, are served by the school. Districts include: (1) Deerfield Township (31.39 sq. mi.), (2) Fairfield Township (47.3 sq. mi.), (3) Greenwich Township (18.9 sq. mi.), (4) Hopewell Township (30.87 sq. mi.), (5) Shiloh Borough (1.20 sq. mi.), (6) Stow Creek Township (18.89 sq. mi.), and (7) Upper Deerfield Township (31.39 sq. mi.). The district encompasses a total of 165.43 square miles. CRHS also brings in students from the rest of the county, covering another 318.27 sq. mi.

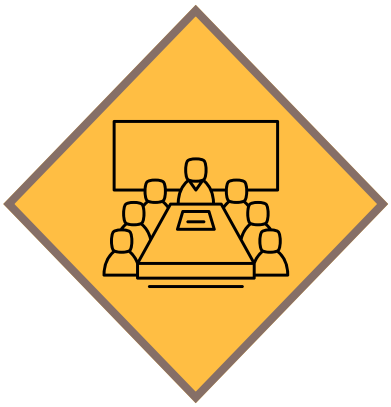

On December 10, 1974, the County Superintendent appointed the initial school board, which by law consisted of nine members. Each constituent district was mandated to have one representative, with the additional two members being appointed from the districts having the highest proportion of the population.

On May 12, 1976, groundbreaking ceremonies for the new Cumberland Regional High School were held at the Upper Deerfield site. Construction was started immediately utilizing a "fast track" strategy. The building was opened on September 7, 1977, with a total enrollment of 1,759 students, Grades 9 through 12. The first commencement was held on June 21, 1978, for 322 members of the Class of 1978. More than 13,541 students have graduated since opening in 1977.

School Based Youth Service Program (SBYSP)

The School Based Youth Services Program (SBYSP) initiative was started throughout the State of New Jersey in 1987 to help young people navigate their adolescent years, finish their education, obtain skills leading to employment or continuing education, and graduate healthy and drug free.

Adolescents have numerous concerns and problems. Since a substantial number of teenagers have multiple problems that call for several different services, SBYSP provides an array of employment, health, and social services. Services are available to all youth and recreation is provided. In addition to the following core services, each site develops services which respond to local needs, such as on-site childcare, so that teen parents can stay in school.

The major services are:

1. Mental health and family services
2. Healthy youth development
3. Access to primary and preventative health services
4. Substance abuse counseling
5. Employment services
6. Pregnancy prevention programs
7. Learning support services
8. Family involvement
9. Referrals to community-based services
10. Recreation

BASIC PROCEDURES

Procedures

Visitors

All visitors must be buzzed into the school. No one is permitted to enter the building without an appointment with a staff member. A person entering the building should always have a visitor pass visible. The visitor will also be required to sign in and out at the front desk. Any parent just dropping something off may place it in the bin outside or leave it in the vestibule. A staff member will retrieve it afterwards. Students being picked up will be sent out to their parents or guardian in the vestibule.

Personal Calls

House office phones are available for students who need to call a parent/guardian for emergent situations with Administrator approval.

Flag Salute

The Pledge of Allegiance will be recited daily during 1st block over the intercom system. If a student has any conscientious scruples against participating in this ceremony, the N.J. State case law says that a student shall be permitted to not say the pledge or not stand but must not cause a disruption during the pledge.

Announcements

Morning announcements are emailed each morning and important information is also posted to the monitors in the hallways and commons.

Procedures

Hall Passes

Every student is scheduled to be in a class each period of the day. If a student is out of class for any reason, the student must have a hall pass from the teacher of the class in which they are scheduled. Each student is required to present the pass for examination upon request from any staff member. Students are expected to take the most direct route to and from class. Anyone found abusing a pass, in an unauthorized area without a pass or with a forged pass will receive a discipline referral.

Late Arrivals

Students who are scheduled for late arrival should check in the Main Office. If the bell has not rung, they will remain there until it does. Students should not arrive any later than seven minutes before the end of 1st block. Students are prohibited from wandering the building. Please see the Code of Conduct for expectations and discipline consequences.

Emergency Closing

School closing, delayed starting time, or early dismissal schedule changes are announced over local radio stations, through the global call system, by text, by post on the school website (www.crhsd.org), and by posting on the school mobile app. If no report is heard, it can be assumed that school is in session on a regular schedule. Telephone lines must be kept open for emergencies. PLEASE DO NOT CALL THE SCHOOL.

Procedures

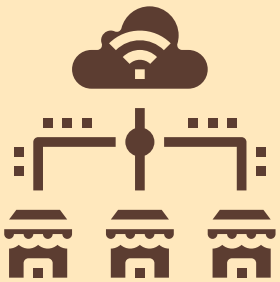

Internet Policy

Each student will receive a copy of an acceptable use agreement at the beginning of the year explaining Internet Regulation Conditions, Rules, and Acceptable Use in their Genesis Parent/Student Portal. It is mandatory that a parent/guardian as well as the student sign off in the Genesis Parent Portal before a student is permitted to use the internet. Once the agreement is signed it is valid for the entire time the student is enrolled in CRHS or until the parent revokes their consent in writing to the principal.

Emails

All students are provided a district-issued email address. All faculty members are accessible by email. Faculty email addresses are usually the person's last name@crhsd.org (all lower-case letters, no spaces). An example is martin@crhsd.org for Mr. Martin. A teacher also can be reached by simply clicking on their name in the above portion of the handbook or on the website under staff directory. Students must use their school provided email when emailing staff. Staff are prohibited from answering any student emails from any other email address.

Students are expected to check their email regularly, as the school and teachers will often send important information and reminders to students via their school-issued email address. Students should also be sure to check monitors in the hallways for upcoming events.

Student Driving /Parking and Traffic Regulations

APPLYING FOR A PERMIT

Students must possess a regular New Jersey driver's license (permits and agriculture licenses are not acceptable).

Students must be 17 years old and be in 11th or 12th grade according to Genesis.

To obtain a permit, students must submit a permit application on Genesis. Once completed, students must show their license, registration, and insurance when picking up their free hang tag in D House.

Should a student lose their parking hang tag, or it becomes damaged, the cost is $5 per replacement. Hang tags must be returned undamaged/defaced at the end of the student's senior year or a fine will be issued.

Please see the Student Code of Conduct for complete rules and procedures.

Lost and Found

An article that has been found should be brought to the Main Office. Items will be placed in the Lost and Found bin located in front of the front security desk. If the item is of high value, it will be given to security to hold. Proper identification of the article is required to reclaim.

Dress Code

The purpose of these guidelines is to provide a school-wide environment conducive to the education process. No student should dress in a way that would distract from the educational purpose of the school district. Regardless of style, clothing is expected to meet a general standard of modesty, and the administration has discretion to determine whether clothing is acceptable for an educational environment. See Dress and Grooming Section in the Code of Conduct.

Procedures

Student Valuables

Students are cautioned not to bring large amounts of money, expensive jewelry, electronic devices to school, and if they wear glasses or watches, to keep track of them always. Students, not the school, are responsible for their personal property.

Textbooks/Chromebooks

Cumberland Regional High School furnishes students with textbooks and Chromebooks for their courses. These are the responsibility of the student. Unreasonable damage to the textbooks or Chromebooks will result in a fine commensurate with the replacement cost. Fines are also assessed for any textbook not returned. This payment is required upon losing the book so that another can be issued, and no time is lost from course studies. If the book is later found and is in reasonable condition, payment will be refunded. Fines not paid will result in withholding of transcript or diploma.

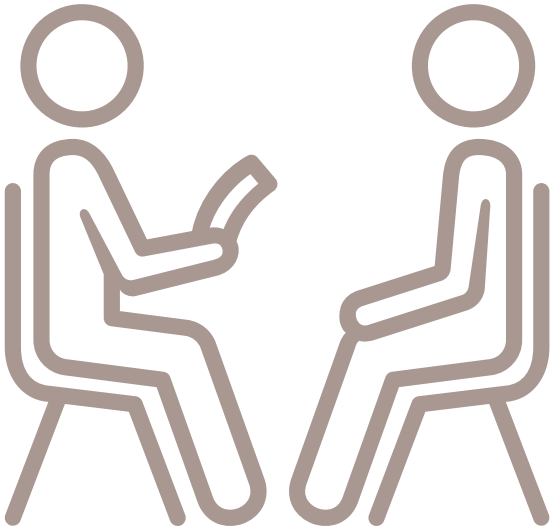

Student Identifications - Picture ID Cards

Every student must have the Official Student Identification Card in their possession always. Any student providing false identification or refusing to present the ID Card to any school personnel will be subject to disciplinary action. The Student ID Card must be presented to gain admittance to ALL school-sponsored activities, to secure transcripts and to use library materials. Students who do not have an ID will be charged for a replacement. Replacement cost for ID cards is $5.00. Students should email Mrs. Bullock (bullock@crhsd.org) for a new ID.

Student Lockers

A hall locker equipped with a built-in combination lock is assigned to each student. Lockers are the property of the school and are merely on loan to the students. Lockers may be searched at any time per New Jersey State Law. No student should use another student's locker or allow other students to use his/her locker. Each student is to use only that locker that has been assigned to him/her. No one is to enter anyone else's locker or tamper with it in any way. The school assumes no responsibility for items lost or stolen. Students are responsible for all contents in their assigned locker. A student is not to go to his/her locker during class periods unless he/she obtains a pass in advance. Discipline may be expected for anyone who does not observe these regulations. ***PLEASE NOTE LOCKERS MAY BE RANDOMLY SEARCHED AT ANY TIME.

SCHOOL COUNSELING
&
CHILD STUDY TEAM (CST)

School Counseling Program

The Cumberland Regional High School Counseling Program functions to assist all participants in the learning process: students, teachers, parents, and administrators. The Counseling Program includes the following student services: individual and group counseling, personal/social counseling, career counseling, as well as postsecondary planning and counseling. Counselors utilize Naviance, as well as other tools to help students learn more about themselves and the options they have after high school. Through educational and career planning students are given the tools to make informed decisions.

Every student is assigned to a school counselor for his/her tenure in high school. Students can request to see their counselor at any time. This is especially important if a problem arises. However, no student should deliberately miss a class to visit the School Counseling Office without an appointment. Appointment slips are available in first block class and in the Counseling office. Students can also request to see their counselor using their school email.

Students will have individual appointments to choose courses for the following school year. A Course Catalog is available online at http://www.crhsd.org under the "Students" Menu item. Counselors will work with students to choose courses that meet the student's interests, requirements for postsecondary plans, as well as graduation requirements. A student's schedule is an individual educational blueprint developed by the student in conjunction with his/her counselor. Scheduling the appropriate courses in the proper sequence is vital to the attainment of post high school goals, college, or employment. A request for a schedule change does not mean an automatic schedule change. Changes will be made only to provide necessary remediation or to enhance an educational opportunity and such changes must adhere to policy timelines.

School Counseling Program

Scheduling for the following school year will begin in mid-January and go through April. Students and parents are then given the chance to review the requests in Genesis and ask for changes. This drop/add period ends every year on May 30th per BOE Policy 2312 which states:

"No student will have their academic schedule altered after the date of May 30. If particular hardship develops the student with parent or guardian must submit a formal request explaining in detail the reason for the change."

Parent Conferences

Parents may request a conference with their child's teacher at any time during the school year by contacting the teacher or the Counseling Office. Preferably these conferences should be held at times which do not interrupt instruction and therefore require at least 24-hour notice. Likewise, teachers at times may find it necessary to request a conference with a parent. Parents are asked to make every effort to meet with their child's teacher if they receive such a request.

Child Study Team

Procedures for Referrals

1. Referral forms are available through a guidance counselor. Please note referral will first be done by the Intervention and Referral Team, who will review and make recommendations.
2. Referral procedures are included on the district website. These procedures and publications will be updated annually and be distributed to the parent(s) and appropriate social service and welfare agencies not later than October 1 of each year.

Parent-Initiated Referrals

When a parent makes a written request for an evaluation to determine eligibility for services:

1. The written requests are received and dated by the CST Secretary; The written requests are immediately forwarded to the office of special services/special education;
2. A file will be initiated to include a timeline for processing the referral including the date that initiates the 20-day timeline for conducting the referral/identification meeting and any forms used to open a case;
3. Upon receipt of the referral a request for a summary and review of health and medical information regarding the student shall be forwarded to the school nurse who will transmit the summary to the CST;
4. The Case Manager will convene a referral/identification meeting within 20 calendar days (excluding school holidays, but not summer vacation) of the date the request was received by the district;
5. A "Notice of a Referral/Identification Meeting" will be sent to the parent(s).
6. The notice will contain "Parental Rights in Special Education" (PRISE) Booklet; and The referral/identification

HEALTH RELATED SERVICES

Health Services

A school nurse will be available for consultation on health problems. Their services are available through the teacher or counselors. They are always available in AN EMERGENCY. Students who are ill will be sent home only with parent or another designated adult. Students presenting to the nurse with a fever of 100.4 degrees Fahrenheit or above will be sent home by the nurse. The student must stay home until they have been fever free for 24 hours without the use of fever reducing medications. A student will also be sent home if suspected of having a serious, highly contagious illness. Parents/guardians shall always have someone available to pick their child up in these situations.

Medication prescribed by a physician may be administered if the medication is brought in the original container by the parent and with written physician and parent consent. Non-prescription medication such as acetaminophen, ibuprofen, or Tums will not be administered unless parent permission is on file. This is done through the Genesis Parent Portal. All medication taken during the school day must be under the direction of the school Nurse (in the school nurses' office). Medication should not be in the students' possession, unless directed through the Nurse.

Students with medical problems that interfere with their ability to participate in physical education are eligible to be excused with a physician's note. Students MUST present a medical note for excuse to the Nurse and Physical Education teachers will be notified by the nurse. Students with long-term problems must present updated information from the doctor. All notes MUST be presented at the onset of the development of the medical problem. The more medical information the school nurse has on a child, the better the nurse's ability to help that child.

The nurses provide medical attention for students, staff members, or visitors who are injured or become ill on school premises. Piercings and tattoos will not be treated in the nurses' office.

Screenings will be conducted by the school nurse on all students each school year. Screenings may include height, weight, blood pressure, scoliosis, hearing, and vision. If a parent does not wish to have their child screened by the nurse, the parent must submit that request in writing to the Nursing Office.

Health Services

Reminder: Any students with Epi-Pens and/or Asthma inhalers must carry them on field trips. They must also have them for any after school activities. Please have an Asthma Action Plan or Emergency Administration of Epinephrine form completed by the student's physician. Forms are available on the CRHS website or in the Genesis Parent Portal.

Phone calls will not be made home to obtain permission for administration of any medications, except in emergency situations.

Student Insurance

As a service and benefit to parents and students the Board of Education has purchased a Student Accident Medical Benefits insurance policy covering every registered student attending Cumberland Regional High School. Full Access means benefits are payable for covered medical expenses that are not reimbursable by any other valid and collective insurance. All medical claims must be filed through family insurance coverage first. Any balance not paid by the family insurance (primary coverage) should be filed for reimbursement with the school insurance carrier. This applies only to injuries incurred by students during the period covering the school day, including the trip to and from school, on days the school is legally in session. All claims should be processed through the school nurse. NOTE: Subject to limitations of Master Policy on file in the Board of Education Office, students involved in an accident or an injury on school grounds or during any school-sponsored athletic event must report immediately to the person in charge or to the nurses' office. Failure to do so may result in forfeiture of school insurance coverage.

ANY OTHER ABSENCE FROM SCHOOL IS CONSIDERED UNEXCUSED.

Attendance

Unexcused Absences

The following absences will be recorded as unexcused in the student record. If the parent or student provide proper documentation for one of the absences listed below it can help the student retain academic course credit if their absences exceed 10% of their required attendance for the semester.

- The student's illness supported by notification to the school by the student's parent or doctor;
- The student's required attendance in court;
- The student's suspension from school;
- Family illness or death supported by notification to the school by the student's parent;
- Interviews with a prospective employer;
- Examination for a driver's license;
- Medical or dental appointments scheduled during the school day;

Impact of and Unexcused Absence

If a student has **9 or more unexcused** absences in a semester they could:

- Lose Credits for Courses
- Be Placed on the Restricted List
- Be referred to Truancy Court

Attendance Notifications

Students must attend school regularly and are expected to attend every class on their daily schedule. All absences will be counted. We ask parents to call the school at ext. 208 or use the Genesis Parent Portal to notify the school of their child's absence.

In addition to daily attendance, student attendance will be recorded for each class block. Students who miss more than half the class will be marked absent for that class.

In an effort to help prevent loss of academic credit, parental notification of student absences will be made. The school year is divided into two semesters. The semester absence procedures are as follows:

- Phone Call Each Day the Student is Absent
- Four (4) days absent from a class/school - Parent notified by letter, and/or conference with student and counselor.
- Seven (7) days absent from a class/school - Parent notified by letter, and/or conference with student and counselor.
- Nine (9) days absent from a class/school - Parent notified by letter, and/or conference with student and counselor.
  - Placement on Restricted List
  - Truancy Referral to Court
- Twelve (12) Unexcused Absence - Potential DCP&P Referral

Truancy

In New Jersey, truancy is defined as ten or more cumulative unexcused absences for students between the ages of six and sixteen, as determined by the school district's attendance policy. These absences must be unexcused, meaning they are not for reasons like religious holidays or other absences deemed excused by the New Jersey Department of Education (NJDOE). Students reaching this threshold may be referred to the Family Part of the NJ Superior Court.

Attendance

Loss of Credits - Appeals Procedures

In the event of a unique circumstance or hardship, a written request must be handed into the attendance office filled out by the parent/guardian/advocate no later than five (5) school days after the date of the written notification of the student's no-credit status. For appeals to be considered, the above timelines must be adhered to. During the last week of each semester, a committee will meet to consider all appeals.

Excessive Absenteeism

Per NJSA 18A:38-27, pupils who are repeatedly absent from school and/or pupils who refuse to obey their parents or guardians when instructed to return to school, or pupils who are incorrigible, shall be deemed juvenile delinquents and shall be proceeded against as such. NJSA 18A:38- 31 maintains that a parent or guardian who fails to comply with school attendance provisions shall be deemed a disorderly person and may be subject to a fine for each offense.

Illness

Students who become ill in school should report to the nurses' office. If the nurse is unavailable, students should see an administrator. Students are to refrain from making calls until they first contact the nurse or administrator.

Attendance

Makeup Work

Make-up work is available to students following an absence. It is the responsibility of the student to obtain that work on the first day returning to school after an absence or suspension. Students must finish all missed assignments within a time equal to the number of days the student was out of school. For example: after three (3) consecutive all-day absences, a student would have the next three (3) school days in which to complete all make-up work.

Home Instruction

If a student's absences become excessive due to a temporary physical or mental health condition, the parent or guardian must submit a written request for home instruction to the Director of the Child Study Team, accompanied by documentation from a qualified healthcare provider recommending home instruction. The Director, in collaboration with the school nurse, will review the request and contact the parent or guardian. Upon approval, a home instruction plan will be developed during a scheduled meeting. Medical documentation must be renewed every 60 days.

Leaving School Early

It is recommended that every effort be made to schedule appointments during non-school hours so that the educational development of the student and the educational process of the school is interrupted as little as possible. Students must be given permission to leave and must sign out in the Main Office before exiting the building. Failure to do so will result in a disciplinary referral. Students must be present two consecutive academic blocks to be considered present for the day. Students younger than 18 years of age may leave only with a parent or guardian who is listed in the CRHS Student Information System.

It is the legal responsibility of every parent/guardian to notify the school when the student changes residency. For students who have moved within our constituent districts, the parent/guardian will need to provide a valid proof of residency in his/her name to the Registration Office or the Counseling Office to update the address and corresponding bus pass. Failure to notify the school when the student has moved out of district could result in legal action intended to collect tuition payment for non-resident students who continue to attend Cumberland Regional High School. For students who have moved out of district, please contact the Registration Office at ext. 233.

Change of Phone Number(s)

For parent(s)/guardian(s) to be notified of emergency school closings, upcoming events, etc. via our global call phone system, the school must be notified of any phone number changes. Changes can be made through the Genesis Parent Portal or by calling ext. 229 or ext. 233.

Student Record

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age certain rights with respect to the student's education records. The rights are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents should submit to the Principal a written request that identifies the record(s) they wish to inspect. A school official will plan for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate. Parents or eligible students may request to amend a record that they believe is inaccurate. They should write the Principal; clearly identify the part of the record they want changed and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. NOTE: A school official has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility. Upon a student transfer among school districts, educational records, including the student's disciplinary records, are forwarded to the school where the student is enrolling.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school district to comply with the requirements of FERPA. Please see the FERPA website for more information.

This privilege may be revoked for repeated violations of the school disciplinary policy, poor school attendance, or for infractions occurring at a dance. Student ID cards and dance tickets are required for admission. For the safety and enjoyment of students attending dances, the following are the procedures for holding dances:

1. For admission to dances, it is mandatory that students show their ID and dance ticket.
2. Passive Alcohol Parental consent forms and dance forms MUST be signed and submitted prior to purchasing a ticket. This is done through the Genesis Parent Portal. Parental Consent forms for CRHS students are valid every year that a student attends CRHS.
3. Guest Passive Alcohol Parental consent forms must be re-submitted for every individual dance.
4. All tickets are pre-sold; no tickets will be sold at the door. If the student is bringing a guest, the guest ticket must be purchased at the same time.

10. Anyone suspected of consumption or possession of alcohol or any illegal drug is subjected to disciplinary action.

Fundraisers

School-sponsored administratively approved fundraisers are the only fundraisers in which students are permitted to participate at school. The selling of any non-approved items subjects the student to disciplinary action. Board of Education Policy #5830 specifies that: "The Board prohibits the collection of money in school or on school property or at any school-sponsored event by a student for personal benefit. Collection of money by school organizations approved by the Board shall be approved by the Superintendent or his designee. interest earned on the bank account is disbursed." However, if a Senior has a sibling the money may be transferred to that sibling's account, but money is not refunded back to the parent.

Emergency Drills

Fire Drills

Periodic fire and emergency drills are required and are part of an overall safety program. Students should read the directions for fire exits displayed in each classroom. Students should follow teacher instructions during an emergency management drill. It is essential, when the signal is sounded, that students follow the teacher's instructions promptly and in an orderly manner. Fire pull boxes are in the school for emergency use in case of a fire. Improper use of these mechanisms and the subsequent endangerment of the student population results in the most serious disciplinary responses and legal action.

1. Teachers must accompany their groups out of the building and to their posts and maintain order and silence until the drill is over - that is, until everyone is back in his/her room.
2. Students are to come out of classrooms in single file, one line on each side of the corridor to form double lines going down the stairs or out of the exits.
3. At all times, students are to keep all driveways clear.
4. Students who exit into parking areas are not to touch any of the parked automobiles.
5. A notification will be sent out to parents once a drill has concluded as required under NJ State law.

Shelter in Place - Secure the Perimeter

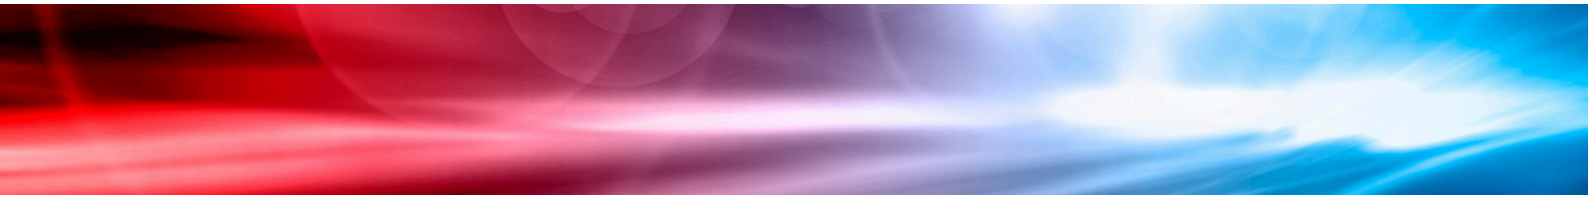

A shelter in place is used when administration needs to keep the halls clear. This could be for an accident in the hallways, chemical spill, a drug dog sweep, or any other non-threating issue.

1. Return inside if outside.
2. Bring students into the building and back to the classroom unless directed otherwise -- do not permit students to leave the classroom.
3. Lock all doors.
4. Take roll.
5. Disregard all bells and alarms.
6. Teachers should continue to teach.
7. Teachers may call the Main Office for students who need to use the lavatory or need a nurse.
8. A notification will be sent out to parents once a drill has concluded as required under NJ State law.

Emergency Drills

Lock Down - Lock, Lights, Out of Sight

1. Staff and students outside the building should move to the predetermined evacuation site either at the BOE offices across the fields or down to the red maintenance sheds.
2. Students are not permitted to leave the classroom.
3. Students and staff should move away from sight (windows and doors).
4. The slider over the classroom door window should be closed.
5. The lights should be turned out.
6. Maintain silence.
7. Wait for the NJ State Police to evacuate the room or a specific announcement ending the lockdown. Your teachers will know when the announcement is made.
8. NO TEACHING OR BUSINESS AS USUAL DURING LOCKDOWN.
9. Disregard all bells and alarms.
10. A notification will be sent out to parents once a drill has concluded as required under NJ State law.

Evacuation

1. Evacuations will be announced over the loudspeaker.
2. Form a line and follow directions as you would for a fire drill.
3. Students should head to their class's fire drill location.
4. Prepare for relocation to secondary site.
5. Follow directions as given by staff.
6. A notification will be sent out to parents once a drill has concluded as required under NJ State law.
