for short-term courses

TRADITIONAL
on-campus, face-to-face with instructor

ONLINE
self-paced or instructor-led, provided by a third-party vendor, 100% online

VIRTUAL
attend from home through Google Meet or Google Classroom

BLENDED
in-person with instructor at host campus and/or via Google Meet or Google Classroom from home or local campus

For additional Virtual and/or Blended availability, contact your local campus (above). Use of computer labs, Chromebooks and laptops may be available upon request.

Note: End dates are subject to change, only total hours and start dates are listed.

**Blended classes may only list a host campus, where the instructor teaches in person, but you can join virtually from your local campus or from home. Contact your campus before you enroll.*

BUSINESS & INDUSTRY SERVICES

Office & Operations

SPENCER ROTH
Industrial Coordinator

Helping you develop your workforce from the C Suite to the frontlines. Improve performance, build teams, strengthen communication & more.

Contact **Spencer.Roth@ictech.edu** or 918-348-7945 for details about the following classes, to schedule or to register.

Conflict Resolution
Dealing with difficult people is challenging. Learn how to turn difficult situations into opportunities for growth and navigate inconsiderate, stubborn, indecent, unhappy, angry, or passive-aggressive interactions with a plan. **4HRS/$125**

Performance Management
How do you manage for optimum performance & create an environment that encourages people to go beyond their best? This one-day workshop will give you some of those skills. **4HRS/$125**

Customer Service Training for Managers
If you are the manager or the leader, gain the skills needed to provide stellar customer service & strengthen your company or brand. **3HRS/$125**

Customer Service Training for Front-line Employees
Learn great customer service skills for a friendly, helpful and positive role in your place of business. This is a must if you like working with people. **3HRS/$125**

Excel 1
Create & navigate spreadsheets. No experience required. **12HRS/$150**

Excel 2
Discover a more in-depth knowledge of Excel's ribbon, menus & functions. Use PivotTable reports & PivotCharts to filter/summarize data/worksheets & more. Bring actual files from work & complete real-world tasks in a structured training environment. Prerequisite: Excel 1 &/or experience with Excel basics. **12HRS/$150**

Inventory Management
Is inventory controlling your business? Turn that around & save big by learning the ABCs of cycle counting, order points, Kanban techniques, supply chain management, lead-time reduction & carrying costs. This training can be customized for your business and conducted on-site. Hours/prices vary.

Lean Methodology
Learn the basics of Lean & how it relates to your organization. Training can be delivered at your facility or at ICTC. **8HRS/$450**

Quick Changeover Techniques-SMED
Nobody likes change, but in today's world we must focus on customer needs more than ever & that means reduced lead times & more changeovers. Learn to reduce changeover time & increase productivity. **4HRS/$175**

Supervisory Academy 1
Lead & be the manager employees want to work for & engage with. Topics: True Colors Personality Assessment, ABCs of Supervision, Communication Strategies, Stress Management, Delegating, Conflict Resolution & more. **40HRS/$475**

Supervisory Academy 2
Hone your leadership skills & prepare employees to succeed. Topics: Manage People & Performance, Project Planning & more. *Prerequisite: 1-2 years supervisory &/or management experience. Supervisory Academy 1 recommended, but not required.* **40HRS/$475**

Industrial Operations & Maintenance

JERRY HOOPER
Industrial Coordinator

Meet current and future plant-floor challenges with customized Industrial Maintenance training, beginning to advanced.

Contact **Jerry.Hooper@ictech.edu** or 918-348-7990 for details about the following classes, to schedule or to register.

AC/DC Electrical
This course provides a comprehensive introduction to the fundamentals of AC and DC electrical circuits. Topics include basic AC/DC principles, circuit analysis (series, parallel, and combination), electrical measurements, inductance, capacitance, and transformer operation. **12HRS/Contact for Pricing**

Electrical Motor Controls
Topics include AC motor control principles, relay control, standard control circuits (start/stop, forward/reverse), timer relays, overload protection, and system troubleshooting. Advanced topics cover Variable Frequency Drives (VFDs), including setup and programming of Allen Bradley VFDs, and their application in enhancing motor performance and energy efficiency. This course prepares you for real-world applications in industrial, commercial, and residential settings. **72HRS/Contact for Pricing**

Additional Industrial Maintenance courses: Topics available upon request such as Introduction to PLC's, understanding the programming language of PLC's along with Process controls and much more.

Fundamentals of Pneumatics and or Hydraulics
Learn to design basic pneumatic systems and troubleshoot performance issues using included equipment like manometers and flow meters. This course provides essential skills for those working in industrial, commercial, agricultural, and mobile applications where pneumatic systems are prevalent. Develop the skills to build and troubleshoot circuits using industry-standard components, and understand how force transmission and fluid dynamics apply to real-world hydraulic systems. **40HRS/Contact for Pricing**

Mechanical Drives 1
This course includes topics fundamentals of power transmission, and in-depth exploration of chains, V-belts, spur gears, bearings, and couplings. Learn to analyze system performance and design solutions for various applications. This hands-on course combines theoretical knowledge with practical exercises to ensure industry-relevant expertise. **40HRS/Contact for Pricing**

CNC Machining: Introduction
Gain hands-on experience with industry-leading CNC machines like HAAS, Mazak, and Doosan, and learn essential skills in CNC setups, operations, tooling, workholding, and G-code programming. Emphasis is placed on safety protocols and developing career-ready skills. This course serves as a stepping stone to more advanced CNC training, offering a blend of hands-on practice and theoretical instruction. **48HRS/Contact for Pricing**

Volunteer Firefighter Training Funding Initiative
ICTC is offering limited funding to support your volunteer firefighters' training needs. Contact us immediately to secure assistance for upcoming training events and enhance your department's capabilities. Don't miss this crucial opportunity!

Oklahoma CareerTech Training Programs

Training for Industry Program (TIP)
Funding for eligible new or expanding companies that meet the criteria for new-hire training.

Training for Industry Growth (TIG)
Funding for eligible companies experiencing workforce shortages in common critical skilled areas such as maintenance, welding, machining, etc..

Registered Apprenticeship Program (RAP)
Funding available for CareerTech apprenticeships.

All OK CareerTech programs are available through your local Indian Capital Technology Center.

BUILD YOUR COMPANY TOOLBOX

ADDITIONAL TRAINING AVAILABLE

Arc Flash, Back Safety, Fall Protection, Forklift Training, Aerial Lift Training, Hazard Communication, Lock Out Tag Out, Respiratory Protection, Respirator Fit Test, Respirator Medical Clearance, Slips, Trips & Falls, School Related Topics and School Bus Driver Topics.

SCHEDULE TRAINING: 918-348-7988

Safety

ED DAVIS
Safety Coordinator

Whether it's annual, monthly, ongoing or for new hires, customized safety training is available for your business or organization.

Contact **Ed.Davis@ictech.edu** or 918-348-7988 for details about the following classes, to schedule or to register.

ATP Classes

We are offering 20 of these courses. including Accident Investigation, Equipment Inspection, Recordkeeping, Personal Protective Equipment, Ladders, Fire Safety, Fall Protection, Ergonomics, Material Handling, Hazard Communication, 8-hr and 24-hr safety training in General Industry or Construction and more. Class times and prices vary. Inquire for more information.

AAA Driver Improvement Program
Navigate today's driving conditions with AAA Topics: Effective visual awareness, sharing the road, using speed & space effectively, adverse conditions, driving emergencies & more. **7HRS/$40**

Arc Flash Training
High Voltage training offered monthly. **8HRS/$199**
Low Voltage training offered every two months. **8HRS/$199**
Discount rate of $299 for both classes. Lunch and book included.

Blood Borne Pathogens
Are you at risk for exposure? Learn to protect yourself from Blood Borne Pathogens. This annually required training is OSHA compliant for healthcare providers, tattoo artists, janitorial workers, day care workers, etc. **1HR/$35**

CPR, AED & First Aid for Business
Learn to perform Adult CPR, use an AED & perform First-Aid for your business. Includes CPR, First-Aid Certificate & wallet card. Certification through Emergency Care & Safety Institute. **4HRS/$40**

Fire Safety & Fire Extinguisher Training
Learn to prevent fires at work & at home. Covers fire prevention, type of fires & classes of fire extinguishers to use to extinguish a fire. When it is safe to extinguish a fire & when to evacuate. Includes hands-on practice with a fire extinguisher. Can be provided at your business. **1HR/$35** *Limited capacity Fire extinguisher classes are available at no cost on Fridays in October. Registration required.*

HAZWOPER Training
Equipment operators, general laborers, job site supervisors, etc. exposed to hazardous substances or who handle hazardous materials must take 24HR or 40HR HAZWOPER training to meet OSHA standard 29 CFR 1910.120. Topics: 29 CFR 1910.120 requirements, improving safety, how OSHA regulations affect you & more. **24HRS/$340 | 40HRS/$485**

OSHA 10 Construction
OSHA-authorized, 10-hour program provides a convenient and cost-effective way for employees to learn hazard avoidance, workers' rights & more. Cost includes training materials & OSHA card. **10HRS/$120**

OSHA 10 General Industry
OSHA-authorized, 10-hour program provides a convenient and cost-effective way for employees to learn hazard avoidance, workers' rights & more. Cost includes training materials & OSHA card. **10HRS/$120**

OSHA 30 General Industry
Recognize, avoid, prevent & stop potential jobsite hazards. Designed for supervisors & workers with safety responsibilities in General Industries. **30HRS/$300**

OSHA Record Keeping
Learn OSHA recordkeeping requirements, how to identify & address repetitive hazard situations, injury/fatality reporting requirements, who is required to keep injury records & more. Hands-on experience filling out the OSHA 300A, 300 & 301 forms provided. **7HRS/$80**

Respiratory Protection-Annual Fit Testing
Let us help keep your employees safe and in compliance with OSHA's 29 CFR 1910.134 standard. ICTC uses the latest technology (OHD Quanti fit 2 tester) to complete the fit test in a timely & accurate manner. Testing can be done on site or at your local ICTC campus. Who needs this test according to OSHA? Anyone required to wear a respirator mask on the job. **$35 per test**

APEX ACCELERATORS

The OK APEX Accelerator provides no-cost technical assistance to Oklahoma businesses interested in selling products and services to federal, state, local, and tribal governments.

AMANDA JOHNSON
OK APEX Coordinator - Muskogee

Contact Amanda.Johnson@ictech.edu or 918-348-7938 for details about the following classes, to schedule or to register.

JOYCE HEPLER
OK APEX Coordinator - Coweta

Contact Joyce.Hepler@ictech.edu or 918-897-3736 for details about the following classes, to schedule or to register.

First Steps In Government Contracting
Federal, state & local governments represent THE largest consumer of goods & services. Before you can begin bidding, this first-steps workshop will introduce you to identifying NAICS codes, gathering documents for Federal registration, review of the System for Award Management (SAM) breakdown, and a brief intro into market research via your DSBS profile. Virtual options only. **1.5HRS/No Cost**

AVAILABLE ON DEMAND. Please email APEX Coordinators for access.

Understanding CMMC:
A Practical Overview for Small Businesses
This beginner-friendly workshop, brought to you by Oklahoma Cyber Innovation Institute at The University of Tulsa, gives small business contractors a clear, practical starting point for tackling CMMC without getting buried in cybersecurity jargon. In 90-minutes, participants will learn what CMMC means for their contracts, what requirements deserve their attention first, and how to avoid the most common compliance missteps. Attendees will leave with a stronger sense of direction, a realistic path forward, and the confidence to take their next steps toward CMMC readiness. **1.5HRS/No Cost**

09/10	Th	3:00P-4:30P	Virtual

Step by Step:
Updating your SBA Dynamic Small Business Search Profile
During SAM.gov registration, each business receives a designation as a small or other-than-small entity. This workshop is designed for businesses designated as small, providing step-by-step instructions on how to update and maintain your DSBS profile and effectively utilize the platform for market research. **1.5HRS/No Cost**

10/08	Th	3:00P-4:30P	Virtual

Federal, State, and Tribal Certifications Overview
In this workshop, we'll introduce you to certifications from the local to the federal level. We'll share the requirements for qualifying, overview and benefits of each certification, and processes to anticipate prior to applying. **1.5HRS/No Cost**

11/12	Th	3:00P-4:30P	Virtual

ICTC BUSINESS & INDUSTRY
INDIAN CAPITAL TECHNOLOGY CENTER

JAMES STEWART, BIS & ACD Director

ICTC INDIAN CAPITAL TECHNOLOGY CENTER

CONNORS STATE COLLEGE

OTA ACCREDITATION STATUS: The occupational therapy assistant program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 7501 Wisconsin Avenue, Suite 510E, Bethesda, MD 20814. ACOTE's telephone number c/o AOTA is (301) 652-6611 and its Web address is www.acoteonline.org. Graduates of the program are eligible to take the certification examination for the occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of exam, a graduate will be a certified occupational therapy assistant (COTA). In addition, all states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT certification examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure. ACOTE® accredited occupational therapy and occupational therapy assistant educational programs satisfy the states' educational requirements in all states, the District of Columbia, and Puerto Rico. Students graduating from an ACOTE® accredited occupational therapy and occupational therapy assistant educational program are eligible to take the National Board for Certification in Occupational Therapy (NBCOT) certification exam and apply for licensure in all states, the District of Columbia, and Puerto Rico. For more information regarding state qualifications and licensure requirements, please refer to the AOTA state licensure webpage. **PTA ACCREDITATION STATUS:** CSC-ICTC PTA Program at Connors State College – Indian Capital Technology Center is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 3030 Potomac Ave., Suite 100 Alexandria, VA 22305-3085; telephone: 703-706-3245; email: accreditation@apta.org; website: http://www.capteonline.org. If needing to contact the program/institution directly, please call 918-913-3928 or email meghan.teitz@ictech.edu. **RAD TECH ACCREDITATION STATUS:** The Radiology Technology Program at ICTC is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). For information regarding accreditation standards or concerns regarding such standards contact program officials at ICTC or JRCERT: Joint Review Committee on Education in Radiologic Technology (JRCERT), 20 North Wacker Drive, Suite 2850, Chicago, IL 60606-3182. E-mail: mail@jrcert.org Website: www.jrcert.org Phone: (312) 704-5300 **PN PROGRAM APPROVAL:** The Indian Capital Technology Center is approved by the Oklahoma Board of Nursing. Graduates of this state-approved program are eligible to apply to write the National Council Licensure Examination (NCLEX) for practical nurses. Applicants for Oklahoma licensure must meet all state and federal requirements to hold an Oklahoma license to practice nursing. In addition to completing a state-approved nursing education program that meets educational requirements and successfully passing the licensure examination, requirements include submission of an application for licensure, a criminal history records search, and evidence of citizenship or qualified alien status [59 O.S. § §567.5 & 567.6]. To be granted a license, an applicant must have the legal right to be in the United States (United States Code Chapter 8, Section 1621). Additional information regarding these matters can be found on the Oklahoma Board of Nursing website: https://oklahoma.gov/nursing.html or by contacting: Oklahoma Board of Nursing 2501 N. Lincoln Blvd., Ste. 207 Oklahoma City, OK 73105 Phone: 405.962.1800 or 405.962.1832 Fax: 405.962.1821 Email: obnwebmaster@nursing.ok.gov Postal Address: Oklahoma Board of Nursing PO BOX 52926 Oklahoma City, OK 73152. **CSC NOTICE OF NONDISCRIMINATION:** Connors State College, in compliance with Titles VI and VII of the Civil Rights Act of 1964, Executive Order 11246 as amended, Title IX of the Education Amendments of 1972, Americans with Disabilities Act of 1990, and other federal laws and regulations, does not discriminate on the basis of race, color, national origin, sex, age, religion, disability, or status as a veteran in any of its policies, practices or procedures. This includes but is not limited to admissions, employment, financial aid, and educational services. In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics by Connors State College as authorized by the Director of College and Community Relations. This information given herein is for educational purposes only. Reference to commercial products or trade names is made with the understanding that no discrimination or endorsement is intended by Connors State College. **ICTC NOTICE OF NONDISCRIMINATION:** ICTC does not discriminate on the basis of sex, race, color, national origin, disability, age, or any other characteristic protected by law and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX and its regulations, including in admissions and employment. How to Register: Online registration is available at ictctech.coursestorm.com. To find classes, scroll down to select your campus, choose a subcategory, locate your desired class, select then click "Register" and complete the registration information. You can also enroll in person or by phone at any campus. In the event a student is sponsored by an outside agency an affidavit of sponsorship or an official award letter from the sponsoring agency in required before the student will be allowed to attend class.

Fee Payment: Payment for short-term classes is expected at the time of enrollment. If ICTC cancels a class due to enrollment, all fees are refunded. If you need to drop a class, you must notify us at least one week in advance in order to receive a refund. For all evening adult career training programs, you must be fully paid or have a signed payment plan agreement at least 7 days prior to your class/program start date. Not all supply costs are included and may vary considerably by class/program. Textbooks, if applicable, are included in the cost. Methods of payment: cash (exact amount only), check, money order, credit card & company, school/government agency, Work Ready, Workforce Oklahoma, or tribal billing.

Refund Guidelines: ICTC reserves the right to cancel classes due to insufficient enrollment or for circumstances beyond our control. A full refund will be processed if a class is canceled by ICTC. Refund requests must be made after the first class meeting, excluding the $15 admin fee and textbook fee. No refunds will be issued after the second-class meeting. Refunds will not be issued for non-attendance. Please allow 10-14 days for refund processing if all necessary paperwork has been submitted to ICTC. Students are notified at the time of enrollment if the class requires a background check.

Inclement Weather: Tune to local TV/Radio announcements. Watch your email and cell phone for notifications from ICTC.

Course Cancellation Policy: ICTC reserves the right to cancel courses due to insufficient enrollment or complications beyond our control. Low-enrollment courses may meet the first scheduled time to determine actual enrollment numbers. ICTC reserves the right to change class dates and times as necessary.

Persons with Disabilities: Call prior to class beginning to request an accommodation for a qualified disability.

Nondiscrimination Policy: ICTC does not discriminate on the basis of sex, race, color, national origin, disability, age, or any other characteristic protected by law and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX and its regulations, including in admissions and employment. Title IX Coordinator - Kimberly Morgan, kimberly.morgan@ictech.edu, 918-348-7915; 504 Coordinator - Dena Longpine, dena.longpine@ictech.edu, 918-348-7965, 2403 N. 41st Street East, Muskogee, OK 74403.

2026 Fall Closings: SEP 7-Labor Day, OCT 16-Fall Break, NOV 23-27-Thanksgiving Break, DEC 21-JAN 1-Winter Break | **Phones will <u>not</u> be answered during closings.**
