Car Pick-Up & Drop-Off Reminders

- The traffic flows through the parking lot and toward the school. See the diagram below..
- Please pull all the way forward. ☺ We will not load your child until you have pulled forward.
- You are free to drive out of the car line once your child is loaded/unloaded.
- Students are not dismissed until 2:00. Please DO NOT arrive before 1:50. After the first couple of weeks, the last car will be loaded at 2:25, so any time you spend waiting before 1:50 is unnecessary and contributes to the congestion. Thank you for your help with this.
- Car tags MUST BE DISPLAYED at all times during the pick-up process.
- **Adults may NOT exit the car to load or unload their child(ren).**
- Remember, we do not buckle children. If they are unable to buckle themselves, we have a designated area for you to pull over and secure them in their seats.
