- Dedicated Agriscience classroom
- Two fully operational greenhouses
- State-of-the-art Agriscience lab equipped for animal science and hands-on learning

- Chicken coop
- Outdoor learning pavilion with wooded acreage
- Floral trailer for hands-on entrepreneurship and design experiences

Performance Responsibilities:
The 6–12 Agriscience/Science Teacher and FFA Advisor will:

- Deliver rigorous, engaging Agriscience and science instruction
- Serve as the advisor for our award-winning FFA chapter
- Inspire leadership, citizenship, and career readiness
- Supervise and guide student Supervised Agricultural Experiences (SAEs)
- Strengthen community partnerships and student recruitment
- Lead students to compete and participate at district, state, and national levels

We are seeking an educator who:

- Engages students while maintaining academic rigor
- Designs creative, hands-on, real-world learning experiences
- Aligns instruction to Michigan state standards
- Builds a positive classroom culture rooted in trust and respect
- Actively promotes agricultural literacy and leadership development
- Develops strong relationships with students, families, and community partners
- Is excited to grow and expand an already strong program

FFA is an integral part of our instructional model. The selected candidate will:

- Plan and conduct leadership, citizenship, and cooperative activities
- Prepare and submit FFA rosters, registrations, and entries in a timely manner
- Supervise and support student SAE programs
- Maintain accurate program records and inventory
- Develop and manage a responsible program budget
- Coordinate instructional programming with hands-on training experiences
- Represent North Huron at district, state, and national FFA events

The benefits of North Huron School District

- Strong administrative and community support
- Established, award-winning FFA chapter
- State-of-the-art Agriscience facilities
- Small-town environment with strong agricultural values
- Opportunity to make a lasting impact on students' futures
