

ELISABETH ANN JOHNSON HIGH SCHOOL

PPSC: PROMOTING POSITIVE SCHOOL CLIMATE

Students of the Week: Two students are selected each week by a teacher to be honored. Their picture is posted on Facebook, name displayed on our road sign, and on our TV announcements in the commons. Students receive a free item from the school store and a pass to leave for lunch early. Students also receive a special shout out in our morning announcements throughout the week.

Kiwanis Student of the Month: Each month we honor one student for their positive leadership and demonstration of PRIDE in the building. Students are taken to an honorary luncheon.

Staff of the Month: Students complete a monthly survey to select a staff member to be honored each month. They receive a small gift and trophy.

Reward Days: At least twice a year, once per semester, we host a Reward Day for students with good attendance, passing all classes, and no behavior referrals. Students are able to move freely between a variety of activities, including open gym, crafts, a movie, or games.

Post Cards: Our PPSC team has created a post card that teachers can fill out to give a "shout out" to students, that is mailed home.

Spirit Days: Student Council has scheduled spirit days to build student community and promote student involvement. These days were held prior to homecoming, winter break, volley buff, and the winter dance.

Staff Spirit Week: During November we held an Underground Spirit Week for staff. This was five days of secret themed days. This was fun for staff and students!

Student Leadership Opportunities:

- **Leadership Workshop** – Our student athletes participated in a leadership workshop at the start of the school year to empower them to be positive leaders on the field/court and in the classroom.
- **Restorative Practices** – We have been lucky to participate in a pilot program to train students on Restorative Practices. 24 EAJ students will be participating in a 3 day training to teach students the impact of Restorative Practices and provide them with skills to bring back to the building to share with peers.
- **Hope Squad** – Students were nominated by their peers to be Hope Squad members for the building. These students were selected based on having positive relationships with their peers and dependable.

Haunted Halls: Each year students at EAJ host Haunted Halls for the community. This is a great community building event that is loved by kids of all ages!

Volley Buff: Our student council proposed and implemented a volleyball tournament for students. Teams were established by students. We had 7 teams participate, and many spectators! Our students are looking forward to planning other events similar to this. Plans are in the works to do a monthly or bi-monthly event.

Cedar Point: At the end the 2023–2024 school year, we brought over 100 students to Cedar Point to celebrate the end of the school year. Students were selected based on grades, behavior, and attendance.

FAFSA Night: Students and their families came together to complete FAFSA to prepare students for their futures. This year was the largest turn out within the last 10 years.

Social Media: We have made an intentional focus on sharing positive involvement of our students in various sports and activities throughout the school and in the community. We know we have great students, and want to ensure others get to see them as well!

THE MT.MORRIS THEATER PROGRAM PROUDLY PRESENTS

MUTUALLY ASSURED DESTRUCTION

10 PLAYS ABOUT BROTHERS AND SISTERS

BY DON ZOLDIS

SHOW DATES -
FRIDAY - FEB 7TH AT 6:30PM
