PSEO Information

Career and College Readiness Resources

Dual Enrollment

Dual enrollment courses are college courses offered at K-W High School, taught by K-W High School teachers. Kenyon-Wanamingo Public Schools partners with Southwest Minnesota State University to offer college credit courses to our high school students on our campus. Students who successfully complete these courses generate both high school and transcripted college credit from the partnering postsecondary institution. Many people refer to these courses as College in the High School. There is no cost to the student to participate in these courses, but there are entrance requirements.

Kenyon-Wanamingo High School offers the following dual enrollment classes:
Math - College Algebra, College Trigonometry, College Statistics
English - College Academic Writing, College Creative Writing, College Speech, College Lit
Science - College Introductory Physics
Electives - College Intro to Education and College Intro to Growth and Development

Advanced Placement (AP)

The Advanced Placement Program, AP, offers students the opportunity to demonstrate their mastery of college-level curriculum, earn college credit by successfully passing the AP exam, move into more challenging and interesting college courses faster, and save money on college tuition costs. Students will complete their AP exams at KWHS. Sophomore students may take AP courses, if available, and with instructor approval. There is a fee for each AP Exam a student chooses to take.

Kenyon-Wanamingo High School offers the following AP classes:
AP Human Geography, AP Psychology, and AP Environmental Science

Postsecondary Enrollment Options (PSEO)

Post-Secondary Enrollment Options allows high school 10th-12th graders to take courses online or at a PSEO institution for high school and college credit. Tuition, fees and required textbooks are at no cost to students. The deadline to sign up for PSEO courses is May 30th of the school year prior to PSEO enrollment. All PSEO enrollment requires a student/parent/counselor meeting prior to applying. The parent/guardian and student will be requested to sign a Kenyon-Wanamingo PSEO Expectation Form.

Please refer to the Minnesota Department of Education for specific information - here.
