—Required Notice—

**Digital tools to support student learning**

Kenyon – Wanamingo Schools uses a variety of digital tools to support student learning. Technology vendors and software are utilized to support work as we help all students develop the skills necessary to succeed in an ever-changing world.

We will have an inventory of our curriculum, testing, and assessment tools posted within 30 days of the start of school at https://kwknights-my.sharepoint.com/:x:/g/personal/pclauson_kw_k12_mn_us/EfgfjM-E9WBBrpYxMjSXXvEBXRR7J47eRfi4Wd0oLIxEww?rtime=OSHy5Jy620g which includes an outline of the student data elements used by each tool. This list is maintained and communicated annually to all families at the start of the school year.

Link is also found on website under Menu, District, Building Grounds and Technology, K-W Digital Resources Inventory.

Please reach out to the PK-4 Principal, 5-12 Principal or Paul Clauson (Technology Director) for additional questions regarding specific digital tools used in classrooms.

Sincerely,
Kenyon – Wanamingo Schools
