Calculator Requirement for ALL CMS Students

The **TI-30XS MultiView Calculator** is approved for use on TNReady tests, ACT, SAT, and AP exams. It will truly see you all the way through middle school, high school, and beyond.
8th grade Algebra 1 students will use this same calculator.

****Please purchase the blue & white version, NOT the yellow (school property) version. And, DO NOT purchase the older TI-30XIIS model.****

Texas Instruments TI-30XS MultiView calculator:
