Prepory

Salem City SCHOOL DISTRICT

Salem High School is beginning its partnership with Prepory to bring top college counseling resources to their students and parents. Prepory helps students navigate the college admissions process through specialized workshops, one-on-one advising, and more! Prepory will meet with juniors and seniors to address specific goals they should accomplish to build a competitive college application throughout all of high school.

Salem City SCHOOL DISTRICT

Prepory

Student workshops

Workshops offer students guidance on key aspects of the college application process, including college essay support, an overview of application components, and strategies for personal branding to enhance future opportunities.

Parent nights

Guidance and resources for parents, so the entire family is informed on the college admissions process.

Virtual & in-person meetings

Whether virtual or in person, students and parents meet with a Prepory coach to map college lists, sharpen essays, and track key deadlines.

Gradbloom; one stop application building platform

Every student gets access to Gradbloom, Prepory's online learning platform, to track deadlines, explore colleges, and stay organized throughout the application process.

Rory AI college assistant

Rory, Prepory's AI admissions assistant, answers college questions in real time inside Gradbloom — extra support anytime, alongside coaching.
