MAPLE
SCHOOL OF INNOVATION

MISSION STATEMENT:

TO INSPIRE AND EMPOWER INNOVATIVE LEARNERS TO REALIZE THEIR FULL POTENTIAL.

Hello Maple Families,

Welcome to the 2026-2027 school year!

As we begin another year of greatness, we are excited to share important information and resources to help every student thrive. At Maple, we believe that excellence is a journey, not a destination, and our commitment is simple: each year, we will raise the bar and make this year even stronger than the last.

Our success is built on a foundation of strong communication, high expectations, and a shared commitment between school and home. Together, we will cultivate a culture where every student is challenged, supported, and empowered to reach their fullest potential.

At Maple, we are dedicated to building academic excellence, inspiring lifelong learners, and ensuring that our students' futures know no limits. This year, we are committed to elevating learning, increasing engagement, strengthening relationships, and supporting the wellness of the whole child.

We believe that greatness is achieved through perseverance, ownership, and the relentless pursuit of growth. Every day is an opportunity to learn, lead, and become better than we were yesterday.

Together, we will make every moment matter, maximize every opportunity, and create an extraordinary school year for our students.

Principal
Mrs. Alyssa Procopio
