Principal's Message

Desiree Rios

Bunker Hill Elementary is special, because we put our students first and all work together to support student learning! Bunker Hill has an involved community that works non-stop to support our students, teachers and school! Many students have parents, and even grandparents, who attended Bunker Hill!

About Bunker Hill

A newly built campus opened in 2022, featuring collaborative learning pods, courtyards and an outdoor learning plaza, which allows students to enjoy the natural scenery. The academic success of students at BHE is a point of pride for the school. Leadership opportunities are offered to the students, which build character and confidence. A talented Bunker Hill team of teachers works tirelessly to provide innovative and progressive experiences for their students, developing in them a love of learning that is the foundation for success in middle and high school, and beyond.

English Language Learners

English Language Learners bring a rich diversity to the campus. The student population represents 46 countries speaking 26 different languages. English Language Learners receive support from interventionists and classroom teachers. An annual International Day celebration helps to spotlight the amazing students and their cultures.

Special Education

In-class and pull-out support is provided to students with diverse learning needs and abilities. With a focus on fostering independence, life skills and vocational readiness, the continuity of special education programs in Spring Branch ISD empowers students with tools they need to thrive academically and in their future pursuits.

Physical Education

Bunker Hill students attend health fitness class multiple times per week. A new track and field was recently completed, resulting in more outdoor activities. All students can participate in the Kids Heart Challenge to support the American Heart Association. The challenge culminates in an all-school celebration. All students also have the opportunity to participate in an after-school Jog Club. Fourth and fifth grade students can participate in the Advanced Movers program, which gives them exposure to team sports they will encounter in middle and high school.

Fine Arts

All students attend art and music classes each week to foster creativity and self-expression. Students participate in the Houston Rodeo Art Contest as well as other school-age art contests. The music program teaches grade-appropriate content through fun and engaging activities. Students proudly demonstrate what they have learned dring grade level performances throughout the year. A Square Dance Showcase takes place each year during rodeo time to celebrate Go Texan Day.

Gifted & Talented

Bunker Hill Elementary offers enrichment opportunities for students identified as gifted and talented through the district's screening process. Gifted & Talented (GT) activities push students to "think outside the box" and learn innovative ways to solve problems.

GT students in early grades participate in the Primary Gifted Program (PGP) on campus. Third through fifth grade GT students travel to The Bendwood School once a week for the SPIRAL program.

Inspiring Minds. Shaping Lives.
SBISD's promise to our community.

Our vision is T-2-4. Every SBISD graduate will attain a **technical certificate, military training,** or a **two-year** or **four-year degree**. Our Core Characteristics of a T-2-4 Ready Graduate define the traits we commit to developing in Every Child during their years in SBISD.

BUNKER HILL ELEMENTARY

Student Supports

- A full-time school counselor provides guidance lessons, individual planning, small groups and connections to community resources for students and families.
- After-school care and activities are provided on campus by iKids.
- Students can learn to play the violin in the Fiddling Lions program.

Family Communication

Below are ways Bunker Hill Elementary communicates with families:

- Weekly newsletters from the school and from the PTA
- Instagram (bunkerhillelementarypta and Bunker Hill Elementary)
- X (Twitter) @bhe_lions

Be an active member of our school community.

We hope family members will join our amazing PTA to get to know the other families in the school community and find ways to serve! Parents and guardians can also register to volunteer in many areas of the school as well as apply to be a member of our Campus Improvement Team.

Contact the school at **713.251.5400** for details.
