Community Eligibility Provision (CEP)

The Spring Branch Independent School District announced today it will operate the Community Eligibility Program (CEP) under the National School Lunch Program and School Breakfast Program for the 2026-2027 school year for 4 Early Learning Centers, Bear Boulevard, Lion Lane, Tiger Trail, Wildcat Way. Schools qualifying to operate CEP serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.
