Kindergarten Families Can Access a $100 Education Savings Bonus

Dear Kindergarten Families,

Finishing kindergarten is a big and exciting moment!

This year, there is a new way to celebrate your child. You have the chance to receive $100 to help save for their future education.

Families can open an Embark savings account (Oregon's college savings plan) for their Kindergarten child with as little as $25. When you open a new account, you will get an extra $100 added to it. Learn more here: embarksavings.com/blog/celebrating-kindergarten-graduation

If your child already has an account, the money you deposit helps you earn an Oregon income tax credit. This could put up to $380 back in your pocket each year.

Embark is open to everyone. While the $100 bonus is for new kindergarten accounts, people of all ages can open an account and save for education.

Visit embarksavings.com to learn more. You can also watch a short celebration video from Treasurer Steiner on the webpage above.

Don't miss this chance to start saving for your child's future!
