Dear Boardman Community,

On behalf of Boardman Local Schools, thank you for your strong support in Tuesday's election and for your continued investment in our students, staff, and schools.

The district's 5.9-mill levy renewal passed with nearly 57 percent of the vote, and by more than 1,000 votes. This renewal will continue to generate approximately $4.3 million annually for Boardman Local Schools over the next five years. These funds are vital to sustaining the high-quality educational opportunities, programs, and services our students rely on every day.

Boardman is a special district because of the people who make up this community. We are fortunate to have active and involved parents, dedicated PTA members, and community members who consistently support our students in so many ways, including attending concerts, athletic contests, and school events. We are also proud of our outstanding staff, whose commitment, talent, and care create exceptional learning experiences for students each day.

This renewal is vital to continuing our excellence. Because of you, we are able to continue providing the high-quality educational experiences our students deserve while maintaining the strong traditions that define our district.

Thank you for your continued trust and partnership. Your support makes a lasting difference for our students today and for the future of Boardman Local Schools.

Sincerely,

Chris Neifer
