PROGRAM INFO

We want to strive to make the BCE counseling program about collaboration, support, and connection. We plan to do this through:

- social/emotional/behavioral topics in our classroom
- small groups for more specific student needs
- individual student check-in
- partnering with families and school staff

EXTRA SUPPLIES

We have made a counseling wish list full of student materials or supplies to be kept in case of accidents. If you feel led to buy something, scan this QR code:

RESOURCES

We are currently adding a counseling corner tab to Brown's Chapel's website. This will list our program details, community resources, relevant information on important topics for your review, and newsletter updates each quarter.

Go to BCE's web page → click the three stripes in the upper righthand corner → under "Parents" find "Counseling Corner"
