## **8. THE RCS DIFFERENCE**

Discussion of a Recognition Process for Financial Supporters

Each year, businesses and individuals provide valuable financial support to Rutherford County Schools, individual schools, and district programs. The Board previously approved a plaque design for display in the lobby to recognize these contributions. Additional Board guidance is

needed to establish clear, consistent recognition criteria and ensure supporters are appropriately acknowledged.

The newly established Rutherford County Schools Foundation has also secured several significant financial contributions to benefit teachers across the district. Staff will present options for a formal recognition process that accounts for both district and Foundation support and seek the Board's direction on next steps.

**Work Session: Mr. Evans discussed the recognition plaque for the lobby and requested guidelines be provided by the Board to determine what sponsors will be added to the plaque.**

**Board Meeting: Mrs. Maxwell discussed having a separate plaque for the Foundation. Mr. Vaughn mentioned his concern about hurting feelings over recognizing large donors and not all donors.**

The HRA would provide retiree health support, for expenses such as insurance premiums or qualifying out-of-pocket expenses, for this narrow group for the retiree only (spouses and dependents are excluded) until the age of 65 in the amount of \$1,000 per month. The benefits department will work with Alternative Health Solution as a point of contact for retirees with funding being managed through Heath Invest. ### **13. BOARD ITEMS (TAB 7)**

#### **I. Plaques Displaying Declaration of Independence, United States Constitution and Ten Commandments**

This matter is being added to the agenda to confirm whether the Board of Education wishes to allow certain plaques to be displayed in schools which contain quotes from the Declaration of Independence, the United States Constitution, and the Ten Commandments. In the last legislative session of the state legislature, the state legislature adopted legislation allowing schools to display the first sentence of the second paragraph of the preamble to the Declaration of Independence, the preamble of the Constitution, and the Ten Commandments in a prominent location in a school building in order to educate students on the documents' historical significance and how the documents shaped the common cultural heritage of the school system, Tennessee, and the United States of America. A copy of Tennessee Code Annotated Section 49-6-2010 is attached to your materials. The statute also specifies the text that must be used for the Ten Commandments section of the display. The statute defines "prominent location" as a school entryway, cafeteria, or common areas where students are likely to see the display. If the Board decides to move forward with allowing the displays, there have been two designs proposed for the plaques, one of which would be used in middle and high schools and another design that would be used in elementary schools. Funds have been raised to pay for display plaques so that the cost of the display plaques would not be paid by the school system.

**Motion made by Butch Vaughn and seconded by Caleb Tidwell to approve allowing schools to display the first sentence of the second paragraph of the preamble to the Declaration of Independence, the preamble of the Constitution, and the Ten Commandments pursuant to Tennessee Code Annotated Section 49-6-2010 to educate students on the documents' historical significance and how the documents shaped the common cultural heritage of the school system, Tennessee, and the United States of America, and to approve the attached design for high schools and middle schools and the separate design for elementary schools.**

**Mrs. Darby asked to postpone the vote and make all designs to have equal space.**

**Vote: 6 yes, 1 Nay McCord**

**Motion passes.**

#### **Work Session:**

**-Ms. McCord requested an Executive Session to discuss the legal ramifications of going ahead with making these plaques and hanging them in each of our schools. The Board agreed to meet following this meeting.**

#### **II. Request to increase the SPED Bus Aide R101 pay to R102 to better appeal to applicants.**

**Motion made by Caleb Tidwell and seconded by Butch Vaughn to approve an increase in pay for a SPED Bus Aide from R101 to R102.**

**-This is a 5% increase with the increase in step.**

**Vote: All yes.**

**Motion passes.**

#### 14. DIRECTOR'S UPDATE

- County Finance is operating by bus contract and may only pay monthly. Dr. Sullivan shared daily bus schedule adjustments made by contractors. Managing those adjustments financially are difficult to reconcile in time to make a bi-weekly payment.
- PK-12 enrollment is currently 51, 522. RCS has increased in Kindergarten from this time last year.
- An email from a bus contractor to the County Mayor and County Commissioners included information that was not factual and contradictory to the bus contract. Funds do not move within the budget without Board approval.

#### 15. GENERAL DISCUSSION

- Work Session: Mr. Lee was asked about the RCS Bus Driver update. We currently have three drivers in process and another five to interview this week. The open routes remain the same. He was asked to read the contract regarding bus fuel cost reimbursement.
- Mrs. Darby and Ms. McCord requested that Dr. Sullivan talk to County Finance and ask that contractors receive bi-weekly checks to keep them from fronting their fuel costs.
- Mrs. Maxwell mentioned there are several good games this Friday in the county.
- Dr. Chastain updated the Board on the Social Studies textbook adoption coming up in late October or early November and they are asking for parent involvement. Mr. Evans will share that information with parents. All meetings will be public.

## RESOLUTION SUPPORTING ARTS EDUCATION AND DIRECT FUNDING FOR ARTS EDUCATION IN TENNESSEE'S TISA FORMULA

**WHEREAS**, a well-rounded education includes sustained, sequential access to high-quality learning experiences in the visual arts, music, theatre, dance, and media arts; and

**WHEREAS**, a growing body of research demonstrates that arts education increases academic achievement, self-esteem, and civic engagement while reducing absenteeism and disciplinary concerns; and

**WHEREAS**, arts education develops durable, uniquely human skills—including creativity, resilience, adaptability, communication, collaboration, leadership, critical thinking, and problem-solving—that are increasingly valued in an innovation-driven economy and that support success in postsecondary education, military service, entrepreneurship, and the workforce; and

**WHEREAS**, implementation of robust arts education programming strengthens workforce development by providing students with authentic opportunities to manage projects, meet deadlines, receive and apply feedback, persist through challenges, and develop the professional competencies sought by employers across all career sectors; and

**WHEREAS**, Tennessee's arts and cultural sector contributes approximately \$21.2 billion annually to the state's economy, supports more than 108,000 jobs, and relies on a pipeline of creatively skilled graduates; and

**WHEREAS**, access to quality arts education should be available to all Tennessee students regardless of geographic location or socioeconomic status; and

**WHEREAS**, the implementation of quality arts education programming requires specialized equipment, materials, and facilities above and beyond that accounted for in the current TISA base formula; and

**WHEREAS**, the implementation of dedicated and sustainable state funding for arts education would enable districts to expand access to arts instruction, strengthen instructional resources, and support qualified arts educators;

**NOW, THEREFORE, BE IT RESOLVED** that the Rutherford County Board of Education hereby recognizes arts education as an essential component of a quality education and a critical element in preparing students for future success.

**BE IT FURTHER RESOLVED** that the Board reaffirms its commitment to providing access to a high-quality, standards-based arts education for all students.

**BE IT FURTHER RESOLVED** that the Rutherford County Board of Education calls upon the Tennessee General Assembly and the Governor of Tennessee to implement direct state funding for arts education within the TISA formula.

**BE IT FINALLY RESOLVED**, that copies of this resolution be distributed to the Governor of Tennessee, members of the Tennessee General Assembly, members of the TISA review committee, the Tennessee Department of Education, and other relevant parties to advocate for arts education funding in the TISA formula.

**APPROVED AND ADOPTED** by the Rutherford County Board of Education this \_\_\_\_\_ day of \_\_\_\_\_, 2026.
