APPLY FOR
Free or Reduced-Price Meals

Healthy meals grow healthy kids! Machio's school meals continue to be one of the healthiest meal options for students. It is important that children who need free meals continue to receive them. Families can qualify for free or reduced-price meals based on household income by submitting the confidential meal application.

Apply for free or reduced-price meals today!
It only takes a few minutes to apply

- The application process is completely confidential. Once a student is approved their status will also remain confidential.
- All students are offered the same healthy and nutritious meals and options regardless of their status.
- There is no cost to submit the application and you can apply at ANY TIME during the school year. Your application will be processed after it's submitted.
- Parents who participate in the free or reduced-price meals program save time and money by not having to prepare their child's meal at home.
