

Patriot News

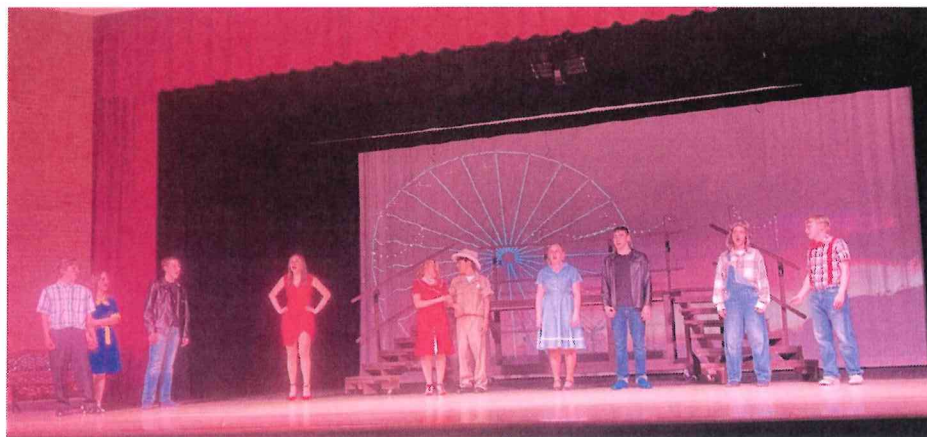

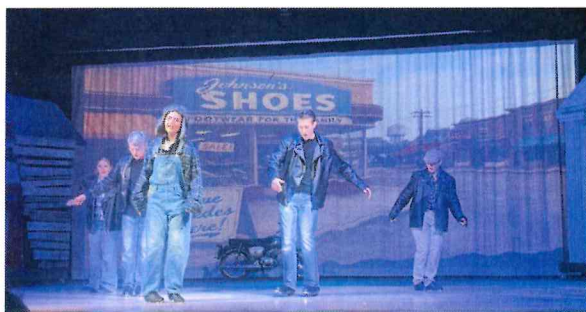

March, 2026

Parents/Guardians,

This week marks the beginning of the 4th quarter! It is hard to believe how quickly this year has gone. Soon we will be sending out information about commencement. Our Patriots continue to work hard in the classroom, in athletic contests, and in academic competitions. Keep reading to see what has kept them busy during the month of March! We hope that everyone has a safe and relaxing Spring Break!

MUSICAL

The drama department put on 6 great shows titled "All Shook Up". Hopefully you were able to catch one of the performances and see how talented our students are!

ART SHOW

Our Art students put their amazing work on display last week! Check it out!

BPA

5 students traveled to Indianapolis to compete in the BPA State Leadership Conference on March 8th-10th. We had 1 student recognized on stage for his event. Evan Decker received 1st place in Meeting & Events Planning Concepts.

FFA

The HH team of Jace Welch and Riede Schwindel placed first in the district 10 Small Engine CDE and will advance to the state contest in April at the Bane Welker training facility in Northern Indiana.

The HH team of Mason Welp and Brett Gruber placed 7th of 19 teams.

Both teams did a great job. This is the first time participating in this contest for both teams!

Foreign Language

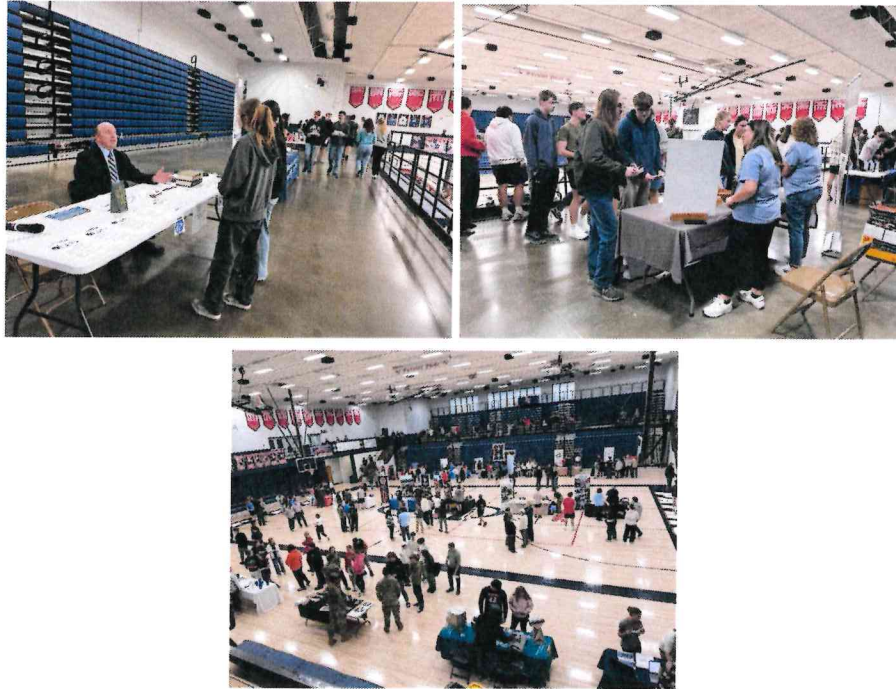

USI world language competition:

- In the Spanish Academic Bowl we had a team place 3rd out of 16 teams!
- In the Spanish Live Performance competition we brought home 1st place out of 6 teams!
- The German team won 1st in the German Live Performance competition.

CAREER FAIR

The Career/Job Fair was a great opportunity for students to network with local businesses and learn about potential careers. Students were encouraged to think about their RIASEC letters that they identify with and seek out the businesses that also had careers with those letters.

SCHEDULES

All students in grades 9-11 have met with their school counselors to begin planning their course schedules for the upcoming school year. We encourage you to log into **Harmony** and review your student's **four-year plan** to see the courses that are currently selected. Following **Spring Break**, we will provide a final opportunity for students to request any schedule changes. Our goal is to have all schedules **finalized by April 2nd**. Please take some time to review your student's selections together to ensure they feel confident and satisfied with their course decisions. Finalizing schedules by this deadline helps our school complete the master scheduling process efficiently and allows us to maximize student access to preferred courses.

Top 10%

On March 10th, we celebrated those students that are academically ranked in the Top 10% of their class. Congratulations to these students and a huge thank you to the Santa Claus Optimist Club for supporting this event!
