Dear Parent,

The WeTip National School Safety hotline program is pleased to welcome you as a new WeTip member. We believe that students and their families are empowered by the WeTip program to keep their schools and communities safe and crime free. WeTip has provided the nation's only totally anonymous, neutral third party, crime hotline to schools for the past 32 years.

WeTip's School Safety Program is a joint involvement of law enforcement, students and their families and school staff members. All are committed to providing a safer living environment for students and their families nationwide.

The schools lose hundreds of thousands of dollars each year due to vandalism, graffiti, theft, violence and other crimes. School officials and law enforcement have teamed up with WeTip, the nationwide crime-fighting organization.

The WeTip School Safety Program has proven to be extremely effective in reducing calls for police service at schools that are involved in the program. Many schools have experienced a significant decrease in crime incidents and law enforcement calls in the time that the program has been implemented.

As the School Safety Program continues to expand nationwide, our hope is that families will have a safer environment to live and raise their children.

. As a WeTip member, your school has obtained a tool, which has been serving communities since 1972. It will enable you to effectively combat school crimes, violent crimes, child abductions, bullying, vandalism arson, graffiti and property destruction by using the WeTip anonymous hotline system 1-800-78-CRIME. The WeTip hotline system is online 24 hours a day, 365 days a year with 60 trained operators taking anonymous tips and relaying that information immediately to school officials and local law enforcement officers. This program provides the necessary tools to create a pro-active crime abatement program in your community.
