Beavers Follow the 3 R's

Ready!
Responsible!
Respectful!

Behavioral Expectations

- **CCPS Code of Conduct** – Always in effect.
- Mt. Hope/Nanjemoy School Code - A major goal of our staff is to establish an atmosphere throughout the school in which children will feel safe, secure, happy, and have maximum opportunity to learn.
 - Fighting, stealing, showing disrespect towards others, using obscene language, and destruction of school property will not be tolerated. Students who break the rules or cause serious problems will be sent to the assistant principal or principal. Disciplinary action will occur and may result in suspension from school.

Classroom Code of Student Conduct

- We have an established a Positive Behavior Intervention and Support Program (PBIS) to focus on positive behavior in our school. Our school motto is "Beavers are Ready, Responsible and Respectful".
- Classroom teachers develop classroom rules with the children at the beginning of each year and our school-wide discipline plan will be followed. These rules will be communicated to the students and parents at the start of the school year. The procedures below will be followed as part of our school-wide discipline:
- Level I: The teacher will talk with the student and begin to address the problem. The student will receive a warning, level I consequence. In most cases, a phone call will be made.
- Level II: A Minor referral will be submitted to administration via Synergy. Administration will collaborate with classroom teacher. Teacher and/or administration will issue a classroom consequence.
- Level III: When the classroom teacher has exhausted all resources, the child will be referred to the assistant principal or principal.
- Discretion will be used in applying these procedures. The sequence of steps taken may vary in individual cases due to teacher recommendations, the seriousness of the offense, or the time interval between referrals. For example, very serious misconduct might result in suspension on the first referral.
