Get the Huron ISD App

Stay connected with HLC! Message your child's teachers, see classroom updates, and get important notifications, all in one place.

How to get started

1. **Download the app**
   Search for **Huron ISD** in the App Store (iPhone) or Google Play (Android) and install it.

2. **Log in**
   Enter your personal email address or cell phone number. You'll receive a verification code by text or email.

3. **Allow notifications**
   When the app asks, select **Allow** so you don't miss important updates.

4. **Open Rooms and Messages**
   Tap the Rooms and Messages tab at the bottom of the app.
   - **Rooms** is your child's virtual classroom.
   - **Messages** lets you message staff and reply to them directly.

> **Don't have the app yet?** You'll still get a text from **27806** when a staff member sends you a message. Tap the link and enter the verification code to read it online.

Each parent or guardian needs their own account to receive messages.

Having trouble logging in? Call the Huron Learning Center at **(989) 269-9274**.
