Unless you have visited with your teacher regarding credit recovery, all work will be done through our online program called Edgenuity. I will show you the site and how to log in the first day you attend summer school.

Office hours Monday to Thursday from 8:00 am to 12:00 pm in the new CTE building room 133. I will have a side door (North Door) marked for you to use.

All Pre and Post Tests must be completed at school during office hours. **No exceptions so please do not ask.**

Students are expected to work or will be asked to leave. Students are responsible for monitoring their own progress. However, I will be in contact with parents/guardians regarding progress reports on a weekly basis. I generally email, but can call if wanted as well.

A passing grade for Summer School (through Edgenuity) will go on your transcript as a P (which is the equivalent of a C) and will replace your failing grade.

Don't procrastinate!! Online classes are great as you can work on your lessons anywhere and anytime you have internet access, but do not wait until the last minute! The calendar can sneak up on you pretty quickly.

Tech Office summer hours are 6 am - 2:30 pm if you have any computer issues.

Your school email will be used as the primary source of communication, please check it often.

Last day of summer school is July 3. **No extensions will be granted**, so pace yourself accordingly.
