East Orange Parents, Guardians, and Families,

We hope our students are taking time to rest, recharge, and enjoy a well-deserved summer break. Summer also provides an opportunity for students to stay engaged in learning and build upon the skills and knowledge they developed throughout the school year. To support continued learning and prepare students for a successful start to the new school year, summer assignments have been provided.

Please use the hyperlinks or QR codes below to access the assignments. All work should be completed by **Tuesday, September 8**, and will be graded. Families who need hard copies may pick them up from the Division of Curriculum Services at **135 Glenwood Avenue**. Please call **973-266-3443, ext. 28269** in advance to arrange for pickup.

Thank you for your continued partnership in supporting student success. We wish all of our students and families a safe, enjoyable, and productive summer!

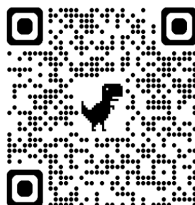

Sincerely,

Dr. Nicholas J. DeStefano  
Assistant Superintendent
