PATRICK F. HEALY MIDDLE SCHOOL

COUGAR NEWS

RESPECT | RESILIENCE | RESPONSIBILITY

SEPTEMBER 2026

PRINCIPAL'S MESSAGE

Dear Healy Families,

Welcome to a new school year at Patrick F. Healy Middle School!

September is a time of new beginnings, new goals, and new opportunities. As we begin the 2026–2027 school year, our focus is on building a strong foundation for a successful year. Our theme, "Building the Foundation," reminds us that excellence is created through the habits and choices we make every day.

This year, we are asking our Cougars to Lean In and Lock In. That means being present, giving your best effort, taking ownership of your learning, and showing Respect, Resilience, and Responsibility wherever you are in our school community.

Our commitment is to create a school where every student feels supported, challenged, valued, and capable of achieving great things. Our teachers and staff are working together to strengthen instruction, build positive relationships, celebrate student success, and create meaningful opportunities for our students to grow.

Families, your partnership is an important part of that work. We encourage you to stay connected, communicate with your child's teachers, attend school events, and celebrate your child's progress along the way. When school and families work together, our students benefit.

I am excited about all that is ahead for our Healy Cougars. Let's make this a year filled with growth, achievement, connection, and Cougar pride.

With Cougar Pride,

Mrs. Kamilia Scantlebury

Principal
