BOROUGH OF NORWOOD

Resolution #2026-44

RESOLUTION SUPPORTING THE CONTINUING EFFORTS OF THE PROPOSED NORTHERN VALLEY GREENWAY PROJECT

WHEREAS, the six Northern Valley towns of Closter, Cresskill, Demarest, Northvale, Norwood and Tenaflly are home to approximately eight miles of a continuous and underutilized segment of the former Erie Lackawanna, now CSX Northern Branch; and

WHEREAS, in 1966 the Erie Railroad terminated its commuter passenger service, and diminished operational and maintenance responsibilities along said corridor; and

WHEREAS, the consolidation of Erie Lackawanna and Penn Central into Conrail in 1976, the Northern Branch fell under the control of Conrail and

WHEREAS, in the late 1970's freight service to New York State was discontinued after Continental Can Company in Piermont closed, and

WHEREAS, after the breakup of Conrail in 1999 the Northern Branch was divided and CSX Transportation, Inc. (CSX) was given the northern section; and

WHEREAS, after many studies and impact statements regarding the use of light rail north to Tenaflly and Cresskill, New Jersey Transit decided to have the terminus station at the Englewood Hospital and Medical Center, with necessary rail infrastructure extending just past the southern border of Tenaflly; and

WHEREAS, freight rail service provided by CSX has been partially and fully discontinued within the borders of the six Northern Valley Towns as evidenced by removal of track, ties, signals and at grade crossing equipment, the loss of shippers, and an increase of neglect; and

WHEREAS, the proposed Northern Valley Greenway will link up at the New York State line in the town of Orangetown with the Joseph B. Clarke Rail-Trail as a segment of the Hudson River Valley Greenway system. The Joseph B. Clarke Rail-Trail also links to the Piermont, South Nyack, and Nyack River trails, and connects Sparkill Park, The Piermont Erie Railroad Pier, Tallman State Park, Bike Route 9, and via the bike and walk path of the Mario Cuomo Bridge will enable access to New York State's extensive network of non-motorized transportation and recreational networks on the eastern side of the Hudson River; and

WHEREAS, the corridor forms a superior connection between and among the communities to this cooperative effort, and enhances the linkage of residential communities, commercial and business sites, schools, civic, institutional and recreational lands and waters; and

WHEREAS, the Mayors and Councils of the six Northern Valley Towns passed resolutions in 2017 to authorize the Northern Valley rail-trail project and the formation of an Inter-local "GREENWAY" Planning Committee; and

WHEREAS, additional Northern Valley towns' Mayors and Councils have subsequently

also passed similar resolutions of support for the Northern Valley Greenway (NVG) initiative; and

WHEREAS, The New Jersey Department of Transportation Office of Bicycle and Pedestrian Programs has sponsored and funded an official Technical Planning Assistance Study that did not identify any potential fatal flaws with the project's objectives; and

WHEREAS, the NVG Planning Committee has successfully established and developed working relationships with local, county, regional and state stakeholders, acquired letters of support from numerous state and federal elected officials and established strong public support for the project; and

WHEREAS, the County of Bergen has incorporated the Northern Valley Greenway as a visionary opportunity in the Bergen County Parks Master Plan and has been an active participant on the NVG Planning Committee; and

WHEREAS, the towns of the Northern Valley, along with the County of Bergen, State of New Jersey and local organizations have been engaged with the Northern Valley Greenway Committee in the planning and evaluation of non-motorized inter-urban transportation alternatives and trail opportunities for community development, alternative modes of transportation, public health and public recreational access and these municipal and non-profit organizations have been working cooperatively on this proposal.

NOW, THEREFORE, BE IT RESOLVED that the Mayor and Council of the Borough of Norwood hereby declare that it is their intention to continue to work cooperatively with the other towns of the Northern Valley and other stakeholder organizations in supporting the efforts of the Northern Valley Greenway Planning Committee to pursue reuse of the corridor as a "Greenway": to accommodate non-motorized, public access facility for recreation and transportation use; and

BE IT FURTHER RESOLVED that the Mayor and Council of the Borough of Norwood intend to work cooperatively with the towns of the Northern Valley and other governmental, municipal and non-municipal stakeholders, as needed, in the planning, design, grant-writing, and other activities necessary to advance corridor reuse; and

BE IT FURTHER RESOLVED that the Mayor and Council of the Borough of Norwood recognize the amount of work such an undertaking involves and as such hereby restate their agreement with and continued support of the Interlocal "Northern Valley Greenway Planning Committee", ("Committee"), whose official membership consists of mayoral appointees from the six Northern Valley towns and a representative of the County of Bergen. Each of the six towns and the County of Bergen will have an equal vote on committee actions and decisions with tie votes decided by the NVG Team Leader. The Committee may invite representatives of other stakeholder organizations to join the Committee. The Committee shall meet regularly, keep records, work with other stakeholders to develop a project work plan, host meetings and public events, work with stakeholders and serve as a forum for coordinating municipal, county, state, federal and regional agency activities. The Committee will be an advisory Committee to plan and coordinate the undertaking with the Borough Council maintaining responsibility to take any necessary action, expend any money, enter into any contract or incur any liability. The Committee shall not be authorized to enter into contracts, expend money, maintain a budget, approve expenditures, or incur any liability on behalf of the Borough. With Committee approval, the NVG Team Leader may sign memorandums of understandings to further the Committee's goals for investigation purposes within the restrictions mentioned elsewhere in this paragraph.

BE IT FURTHER RESOLVED that the Borough of Norwood recognizes that the County of Bergen is considering passing a supporting resolution and that the other towns in the Northern Valley are considering renewing their supporting resolutions and the Borough of Norwood encourages those entities to do so and is willing to enter into a memorandum of understanding with those that pass such resolutions.
