Dear parents,

We are writing to share an important update regarding our CAVS After School Program for the current school year.

At the conclusion of the 2025–2026 school year, our federally funded CAVS program officially came to an end after three wonderful and successful years. However, we are thrilled to announce that thanks to the generous support of the Carroll County Public School Division, the CAVS After School Program will continue!

While the program will operate on a slightly smaller scale this year, we remain dedicated to providing strong academic support and engaging opportunities for our students.

CAVS After School Program Details for 2026–2027

How to Register:

If you are interested in having your student participate—whether starting in September or at any other point during the school year—please complete the attached application and have your child return it to their homeroom teacher.

We will share additional details as we get closer to the start date. In the meantime, if you have any questions, please feel free to reach out to CCMS administration via email or by calling the school office directly.

Thank you for your continued support, and we look forward to a great school year ahead!

Warm regards,
