CREDIT TOWARD GRADUATION FROM HIGH SCHOOL
FOR COURSES TAKEN THROUGH THE NEVADA SYSTEM OF HIGHER EDUCATION

Nevada Revised Statutes 389.160 requires approval of courses for which high school credit is granted from both the Board of School Trustees of each county school district and the Nevada State Board of Education. The Dual Enrollment (DE) courses listed below, in addition to courses previously approved by the Clark County School District Board of Trustees, are requested for student achievement.

Discussion and possible action to approve the requested Dual Enrollment courses, aligned to the Nevada System of Higher Education to improve student achievement, with no impact to the general fund, is recommended.
