Wellness Policy Assessment Tool

Form 357 Rev 8/17

This template provides information on wellness policy goals and practices within the SFA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school, or at a minimum, each school level. The wellness policy and completed assessment must be available to the public. Triennial assessment is required by USDA, annual assessments are strongly encouraged in New Jersey.

SFA/District Name: Egg Harbor City

Policy Reviewer: Allyson Milazzo

○	◉	We require physical education classes for graduation (high schools only).
◉	○	We provide recess for elementary students on a daily basis.
◉	○	We provide opportunities for physical activity integrated throughout the day.
◉	○	We prohibit staff and teachers from keeping kids in from recess for punitive reasons.
◉	○	Teachers are allowed to offer physical activity as a reward for students.
◉	○	We offer before or after school physical activity: ☑ Competitive sports ☑ Non-competitive sports ☑ Other clubs

VI. Additional Info:

Indicate any additional wellness practices and/or future goals used to establish a school environment that promotes students' health, well-being, and ability to learn. Describe progress made in attaining these goals.

Our Food Service Management Company is fundamental in engaging feedback from students and staff. They have advisory meetings in which feedback is solicited regarding meal offerings, and what peaks interest. Additionally, the district works closely with Atlanticare Regional Medical Group and receives small grants annually in order to promote and foster healthy habits throughout the district. EHCCS houses our 21st Century Community Learning Centers Program that is comprised of several clubs that foster student health and wellness through physical activity.

VII. Contact Information:

For more information about this school's wellness policy/practices, or ways to get involved, contact the Wellness Committee Coordinator.
