Below are a few need to knows before arriving for your session.

All Sessions will be done at our Timeless studio: 725 Pellis Road, Unit D, Greensburg

(we are in the Artistry of Hope Marketplace - double glass doors at top of stairs)

Please arrive for your appointment at least 10 minutes before your scheduled session. We are scheduled back to back every day so if you are late you may have to wait past your time.

All retakes will be scheduled a day later in the summer - other times will be subjected to a $25 fee. All studio free, express and mini sessions will be completed by August 2nd.
Because of our busy sports schedule in August we can only accomodate a few deluxe sessions during this time.

Please keep in mind that Timeless does not receive any compensation from your school district for providing yearbook services. Please be considerate with our staffing and scheduling and notify us of any schedule conflicts at least 24 hours in advance. Less than 24 hour cancellations and no shows will be charged a re-booking fee of $25.

Your yearbook requires 2 different images. Please come prepared for both a formal portrait and casual portraits. We will provide the formal attire which consist of a black velvet drape for the girls and a white dress shirt, black tie and black jacket for the boys. We ask that girls bring a cami and the boys bring a plain white t-shirt to wear underneath the provided attire.
The casual outfit is your choice but must adhere to school dress code.

SESSION INFO:
The **free session** is a quick 10 minute session that will get you the yearbook requirements - you will have a few choices of each formal and casual to choose from. After your session, once we edit your photos we will send you an email with a link to your photos. Once you receive the email, you will have 48 hours to let us know which 2 images you wish to be included in the yearbook, otherwise the studio will pick for you.

The **express session** is up to a 20 minute session (you can bring a simple prop such as sports equipment, books, etc to enhance your casual portrait). After your session, once we edit your photos we will send you an email with a link to your photos. Once you receive the email, you will have 48 hours to let us know which 2 images you wish to be included in the yearbook, otherwise the studio will pick for you.

The **mini-session** is the same as the express session but with more time, extra props (car, dirt bike, family pet, etc) and an outfit change. After your session you will sit down to a proof presentation to choose your yearbook images and place your $150 minimum order.

The **Deluxe** and the **Deluxe Plus sessions** will start at the studio to complete the formal portrait and take a few casual photos. Then we will go on location for the remainder of your session. You have unlimited outfits and props with this session. Your proof presentation will be scheduled for a different day due to the volume of photos taken.
