

Tishomingo County School District
Non-Employee Volunteer Agreement

_____ **School Year**

I, _____, of my own free will, volunteer my time and service to participate as _____ for _____ School. My time and service in this volunteer capacity are given without promise, expectation, or receipt of any form of compensation, benefits, or other remuneration for this service.

I understand and agree that my volunteer participation is not being performed in the course and scope of regular employment at _____ School, and that my participation in this activity is not in any way required by _____ School or the Tishomingo County School Board.

I understand that my participation as a volunteer may be terminated at any time, without cause, and that I may withdraw from participation at any time for any reason and that my withdrawal will not affect any future potential employment with the School District.

I realize there may be some non-exempt employees who are receiving compensation for extra duties within the School District, but this does not affect my desire to volunteer, and I will not expect compensation for my services outside my job description.

I agree to hold Tishomingo County School District and all of its employees harmless. This agreement will continue in force until terminated.
