Lessons cost $96 for guitar and bass lessons and $56 for all other instruments. This cost is for the entire summer. If you are interested in signing up, or have any questions, please email Mr. Walton at spencer.walton@isd97.org

Registration is through Mr. Walton, not the Summer Rec. program.

Youth Gymnastics Camp

Northern Lights Youth Gymnastics is THRILLED to share their passion for gymnastics with your son/daughter! Gymnastics is an amazing sport that develops both physical and emotional strength and they are firm believers that the training involved in their program will not only build on your child's tumbling skills but will also help them excel with whatever other sports they choose in the future.
Each class will begin with a warm up and stretching routine that promotes flexibility and prevents pulled muscles. Students will then learn and develop various skills on the tumbling mats, balance beams, springboard and handspring trainer. Fun conditioning drills are also incorporated into each class. Students will be broken into small groups based on the skills they are currently mastering so this class is great for all levels and abilities! Classes led by Kylie Sandell and Carrie Lynch (Sandell).
