School & Community: West Windsor-Plainsboro Regional School District has served the municipalities of West Windsor Township and Plainsboro Township since its formation in 1969. In fulfilling its mission since regionalizing, the district has been successful in providing school facilities and an outstanding education for our student population. A diverse suburban community of approximately 50,000 residents, the district is located in central New Jersey approximately 50 miles south of New York City and 48 miles north of Philadelphia. The area has been recognized as one of the top suburban communities in the region.

West Windsor-Plainsboro High School North and South reflect the lifestyle of a community that takes pride in its continuing tradition of academic and cultural achievement. Each high school provides an educational environment that motivates students to learn and requires them to exercise imagination and sensibility in solving problems. Over 3,000 students may choose from over 170 courses offered in a program of studies that reflects a demanding and challenging curriculum. The high schools offer state-of-the-art resources and technology that allow faculty to provide interdisciplinary instruction with maximum flexibility. West Windsor-Plainsboro High School North and High School South offer teams in 29 sports and sponsor various student publications, acclaimed performing groups in vocal and instrumental music, academic teams and over 30 clubs/activities devoted to specialized interests.

Curriculum/Requirements: All West Windsor-Plainsboro high school students must successfully complete a minimum of 120 credits in course work that begins in Grade 9 and concludes in Grade 12. The course work must include the following:

Language Arts = 4 yrs	Mathematics = 3 yrs	Science = 3 yrs	Social Studies = 3 yrs
Visual/Performing Art = 1 yr	21st Century Careers = 1 yr	Financial Literacy = ½ yr	World Language = 2 yrs

The instructional program of 170+ courses focuses on college preparation with honors and Advanced Placement courses offered in all major disciplines. Juniors and seniors who have exhausted course offerings within a discipline may apply to take courses at Princeton University. All honors, Advanced Placement, and Princeton University courses receive weighted value in the calculation of the WGPA. WWPHS offers a challenging and rigorous academic curriculum at all levels. Therefore, **the numerous AP courses in our program are typically available to juniors and seniors only**. To view our complete Program studies, please visit our Program of Studies.

Grading System/Weighted and Unweighted Grade Point Average (GPA) Scale

Grade	Weighted	Unweighted	Grading Scale
A	5	4	90-100
B	4	3	80-89
C	3	2	70-79
D	2	1	60-69
F	0	0	0-59
W	Withdrawn	Withdrawn	Withdrawn

For each graded (non-pass/fail) course that student completes, with the exception of Physical Education for WGPA, multiply the numeric equivalent of the grade received times the number of credits earned to determine the number of quality points awarded

Determine the sum of quality points earned for all courses of each year.

Divide the quality point total for one year by the total number of credits attempted for that year, This will yield the grade point average for that year

Both weighted and unweighted grade point averages (WGPAs and GPAs) are calculated.

WGPA is based on an open-ended scale beginning with 0.00 and has no ceiling. Only the final grade achieved in each course is used to compute GPA and WGPA.

All graded (non pass/fail) courses, with the exception of Physical Education, are used in the calculation of WGPA.

Coursework completed outside the parameters of WWPHS academic day does not count towards WGPA or GPA except for courses taken at Princeton University.

Class Rank: The academic environment at West Windsor-Plainsboro High School North and High School South is very challenging. **West Windsor-Plainsboro High School North and High School South policy, therefore, precludes the reporting of rank-in-class.**
