Mingo County Schools
Board Goals
For the 2026-2027 School Year

Goal 1:
Support the Superintendent of Mingo County Schools by prioritizing student academic achievement to include but not limited to, benchmark assessments, PSAT, instructional leadership, and support for middle school CTE programs.

Goal 2:
Participate in training opportunities provided by the West Virginia School Board Association and other trainings identified and planned to increase board member understanding of roles and responsibilities, state code, accountability, and state board policies.

Goal 3:
Support the Superintendent of Mingo County Schools in improving identified deficiencies in the West Virginia Department of Education Special Circumstance Report and additional areas identified through internal control processes since intervention and those discovered as the district moves forward.
